MARCH ON WASHINGTON
AUGUST 28, 1963

On August 14, 1963, [redacted], Assistant Superintendent, Detective Division, Pittsburgh Police Dept., Pgh., Pa., advised he had received a letter that day bearing the return address of the American Nazi Party (ANP), 928 N. Randolph Street, Arlington, Virginia. The letter set forth that several members of the ANP would begin a "Hate Hike" at Reading, Pa., passing through Harrisburg, Pa., and ending in Pittsburgh, Pa., between the 13th and 15th of August, 1963. The purpose of the "Hate Hike," was to recruit white persons to go to Washington, D. C. on August 28, 1963, to "counter demonstrate against a huge mass rally planned by such Communist groups as the NAACP and CORE."

One of the ANP members was to contact the police department of any towns in which demonstrations were planned. That letter was signed "Respectfully, ROY E. FRANKHOUSER, JR., and PAUL PATLER."

A characterization of the American Nazi Party appears in the Appendix.

On August 15, 1963, Pennsylvania State Police Trooper [redacted] advised that the above mentioned ANP members arrived at Bedford, Pa., from Harrisburg, Pa., by Greyhound Bus, at about 3:15 P.M. that date. They did not make a demonstration and were allowed to hike West on U. S. Route 30 from Bedford.

On August 14, 1963, [redacted], KDKA-TV, Pittsburgh, news announcer, advised he had received a telephone call from an unknown person who advised him that two representatives of the ANP would be in Pittsburgh on Thursday, August 15, 1963, and inquired if the TV station would be interested in an interview. [redacted] arranged for them to be interviewed at 11:00 A.M. on August 15, 1963.

On August 15, 1963, [] advised he had learned the ANP members would not be in Pittsburgh until that evening and scheduled interview with them had been cancelled. On August 16, 1963, [] advised that he had again been telephonically advised the ANP members would be in Pittsburgh on Saturday, August 17, 1963.

On August 17, 1963, Superintendent of Police, Pittsburgh, Pa., [] advised that JOHN PATLER, LYNN GIESY, DAVID FRANCE, and ROY E. FRANKHOUSER, were arrested in front of the Alcoa Building in downtown Pittsburgh, for distributing literature and carrying placards indicating racial hatred. All four refused to submit to arrest, laid down on the sidewalk, and had to be physically placed in the police patrol wagon.

The August 19, 1963, issue of the "Pittsburgh Post-Gazette," a Pittsburgh daily newspaper, contained an article entitled, "Three from Nazi Party's Headquarters, Guilty." The article set forth that three men from ANP Headquarters, in Arlington, Virginia, were found guilty on hate literature charges. The three men and a fourth person from Pittsburgh were given \$10 fines or 10 days in jail by Magistrate JOHN J. FIORUCCI. They were JOHN PATLER, ROY E. FRANKHOUSER, and LYNN GIESY, a former resident of Pittsburgh, and DAVID FRANCE, who gave his address as Avery Street, in Pittsburgh. They were arrested for violation of a Pittsburgh city ordinance which bans distribution, possession, or manufacturing of literature or signs exposing racial or religious groups to hatred, contempt or ridicule.

On August 20, 1963, Mr. HOWARD MARKS, Clerk of Magistrate Court, Pittsburgh, advised that immediately after the hearing for the ANP members on August 18, 1963, DAVID FRANCE, who gave his address as [], Pittsburgh, was released when his fine was paid by his father. The same afternoon, LYNN GIESY paid his fine and was released. PATLER and FRANKHOUSER were committed to Allegheny County Jail. On August 19, 1963, they were released when a money order sent from Rochester, Pa., covering the amount of their fines, was received by the Pittsburgh Police Department. The money order was from one [].

The "Pittsburgh Post-Gazette," for August 20, 1963, carried an article entitled, "Hate Hikers Hate Jail So Pay Fines, Move On." The article set out that JOHN PATLER and ROY FRANKHOUSER paid their fines of \$10 for violation of the City's hate literature ordinance, picked up their gear at downtown police station and reversed their route of the self styled "Hate Hike," which brought them here from Arlington, Virginia. PATLER had stated the group came to Pittsburgh to recruit marchers to participate in a counter-demonstration against the August 28 Civil Rights march in Washington.

Unidentified sources in the Appendix have furnished reliable information in the past.

APPENDIX SECTION

AMERICAN NAZI PARTY,
ALSO KNOWN AS WORLD UNION OF FREE
ENTERPRISE NATIONAL SOCIALISTS,
GEORGE LINCOLN ROCKWELL PARTY

A source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by Rockwell attacking Jews as traitors to the United States; attempts by Rockwell to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. Rockwell prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party." The second source mentioned above advised on September 24, 1962, that Rockwell will continue to carry on his activities, using the name American Nazi Party, and he obtained the charter for the George Lincoln Rockwell Party merely to be able to do business as a corporation.

Several years ago, he was National Organizer of the National States Rights Party, but resigned this position to devote more time to the ANP and Fighting American Nationalists.

FRANKHOUSER has led counter demonstrations when Negro groups have held meetings and other affairs. He led a small group near Reading, Pa., in December 1960, when then Governor LEADER took part in a Bonds for Israel Campaign, and was recently responsible for a brief appearance in Reading, Pa., of GEORGE LINCOLN ROCKWELL.

FRANKHOUSER has allegedly visited ROCKWELL on numerous occasions. He has recently been very active in passing out literature in connection with ROCKWELL's plans for activities on August 28, 1963, in connection with the March on Washington.

On August 2, 1963, subject was arrested for trespassing on private property in Reading, Pa., in connection with passing out literature in this regard.

On August 18, 1963, he was arrested in Pittsburgh, Pa., while on a similar mission.

FRANKHOUSER has been known to call the papers in advance, advising of his intended activities, to insure publicity. Whenever he is arrested, he claims his civil rights have been violated and he has solicited, in advance, the aid of local bar associates, civil rights groups, and similar associations.

MARCH ON WASHINGTON
AUGUST 28, 1963

On August 15, 1963, Chief of Police E. PRESTON PRICE, Harrisburg, Pennsylvania, Police Department, advised that ROY E. FRANKHOUSER and JOHN PATLER had been in the City of Harrisburg, Pennsylvania, on August 15, 1963, as they had advised the Mayor's Office by letter in the recent past. They had not contacted the Police Department on August 15, 1963, either in person or by telephone, to advise they were going to picket in the city and pass out leaflets. As a result, their presence in the city became known to the Police Department on the basis of a telephonic complaint to the Police Department at the Noon hour. As a result, Chief PRICE stated that FRANKHOUSER and PATLER were not allowed to distribute handbills, but were taken by squad car at their request to the steps of the State Capitol, where, during the lunch hour, they picketed in front of the State Capitol. They were dressed in walking shorts and had the American Nazi Party Swastika Emblem as arm bands. FRANKHOUSER said they represented the American Nazi Party and were conducting a hate march through parts of Pennsylvania in opposition to the pro-integrationist march on Washington, August 28, 1963.

A characterization of the American Nazi Party appears in the Appendix.

FRANKHOUSER and PATLER carried two placards publicizing the fact that they were on a "Hate Hike" through Pennsylvania to recruit Pennsylvanians to go to Washington August 28, 1963, and counter the civil rights demonstration. FRANKHOUSER said the American Nazi Party is against race mixing and the Communist conspiracy.

After approximately an hour of parading on the Capitol steps, FRANKHOUSER and PATLER were taken by squad car to the bus station, where they boarded a bus to go west on the turnpike, and stated they were going to the Midway service area, Exit 11, Bedford, on the Pennsylvania Turnpike.

Four 'Nazis' Are Convicted On Hate-Literature Charges

Pittsburgh (P)—A Pittsburgher and three men who claimed to be from the headquarters of the so-called American Nazi Party at Arlington, Va., were convicted Sunday on hate-literature charges.

Two of the self-styled Nazis refused to pay \$10 fines and went to jail. They said they would go on a hunger strike.

The four sign-carrying men were arrested Saturday near the offices of Du-

quesne Light Co. in downtown Pittsburgh, the scene of demonstrations last week by Negroes who claimed the firm discriminated against Negroes in its hiring policies. Police seized anti-Negro placards and literature.

Magistrate John J. Fiorucci sentenced the four to 10 days in jail or \$10 fines on a 1945 city ordinance which bans the possession of literature or signs exposing racial or religious groups to hatred, contempt or ridicule.

David France, 23, of Pittsburgh paid his fine immediately. John Patler, 25, Roy Frankhauser, 24, and Lynn Giesy, 29, were jailed. All said they would go on hunger strikes. However, Giesy later paid his fine and was released.

Subjects, who were dressed in hiking clothes complete with knapsack and bedroll wearing swastika arm bands and carrying large cardboard signs advocating white supremacy, were brought to the station from the 700 block of E. King St. They claimed to be members of the American Nazi Party and were in the Lancaster area enroute to York, Harrisburg, and Pittsburgh. While in Lancaster they planned to demonstrate at the Rocky Springs Swimming Pool and to contact persons in the area who are working toward the establishment of a local party headquarters. They also said they are seeking support in this and other areas for a white demonstration at the Washington Monument in Washington, D. C., August 28th., the

Offense Report #78512-32L continued.

same day the NAACP is going to demonstrate at the Lincoln Memorial.

While talking to the subjects enroute to and at the station I was told that they are traveling mostly by hiking but do accept rides if they are offered. Where they stay overnight is uncertain and quite often they sleep out in some field or any other place that is available. At this time they had \$20 between them and said they derive their funds from donations from persons who are sympathetic to the cause. They also said that when they arrive in a town large enough where a park or some other place is available they will give a lecture to anyone who will listen and at times these people donate money for the cause. Other times, when a hall is available, they will rent a projector and show some films and give a lecture. They also get donations ~~xxx~~ here. They went on to say they are just one of many small groups who are doing this at this time and the intentions of the groups are to meet in Pittsburgh on Friday, August 16th,, when final plans for the demonstration in Washington will be made. They insist that all their actions are peaceful and that they do not want trouble with anyone. They said they feel that if the negro is allowed to demonstrate that the white man has the same privileges.

After being questioned by Chief Farkas, who told them to notify us if and when they planned to come to Lancaster in the future, they were conveyed to the outskirts of town and dropped off at the Route #230 by-pass headed toward Harrisburg.

Patler said he is not employed and spends all of his time working for the American Nazi Party, 928 N. Randolph St., Arlington, Va.

Frankhouser said he is employed as a salesman (name of Company not obtained) fulltime and is taking part in this action during his summer vacation.

Rememo SA [REDACTED] dated 8/30/63.

On 10/8/63, a review of the building directory of the Fidelity-Philadelphia Trust Company reflected that Room #2107 was the offices of MORGAN, LEWIS, and BOCKIUS, Attorneys at Law. In addition to those three names listed for Room #2107, there were approximately 10 to 15 more attorneys listed.

Since FRANKHOUSER is a self-styled "Constitutional" lawyer, it is felt no further investigation is necessary with regard to information in rememo which set forth that FRANKHOUSER had received a communication from Room #2107 of the Fidelity-Philadelphia Trust Building, Philadelphia.

On 10/16/63, the writer contacted PCI [redacted]
[redacted] at his place of employment, [redacted]
[redacted], Pa.

Informant advised there has been no American Nazi
Party activity in Chester County since the spring of 1963.

Informant stated he recently met [redacted]
who stated she had severed all connections with the ANP.
She told informant she had heard that ROY E. FRANKHOUSER
was arrested in Reading, Pa., in connection with a demon-
stration which took place there during July 1963.

Informant noted [redacted] did not speak of her
[redacted], but mentioned that she had been away during the
past several weeks, giving informant the impression that
she was away from this area for [redacted].

Informant stated he has seen [redacted] on
several occasions during the past several months, but was
of the opinion [redacted] did not want to discuss the ANP at any
length. On one occasion recently, [redacted] mentioned to the
informant that he was disillusioned by the ANP and that
his association with this group had disgraced him with his
family.

Informant stated during the past week, [redacted] told
him he was attending school in Philadelphia and would not
be in the Chester County area frequently since he felt he
would have no leisure time.

Numerous attempts to contact [redacted] or his father, [redacted], by the writer at their residence on [redacted], Pa., had been unsuccessful.

On 10/18/63, the writer contacted [redacted] [redacted], who advised his son was attending school in Philadelphia and was commuting to school each day. He said he did not desire to allow his son to be interviewed regarding ANP activities because he felt the information he had previously furnished is all the information in his son's possession and that his son could not add to this or clarify this information at this time. He said his son has had no further contact with or knowledge of the ANP or any individuals believed to be connected with the ANP.

Mr. [redacted] advised he would contact this Office should either he or his son learn additional information concerning the ANP.

In view of the information furnished by PCI [redacted], together with the refusal of [redacted] to allow his son to be interviewed, it is suggested no further action be taken regarding [redacted]. No recommendation is being made to place [redacted]'s name on the bomb suspect list because of his age and the lack of information indicating his use or knowledge of bombs or firearms.

The following inquiries have been made recently to determine present whereabouts and activities of subject:

On 10/2/63 Mrs. [REDACTED], Reading Office, Bell Telephone Company (WHOSE IDENTITY MUST BE PROTECTED) made a check of toll calls billed to [REDACTED], the telephone number of subject's mother and step-father.

Several calls were made from this number to Detroit, Michigan, but Mrs. [REDACTED]'s mother is known to reside there. The only call of possible significance was as follows. On 8/22/63 a collect call was made from Falls Church, Va., from one (FNU) FRANKHOUSER. The number from which this call was made was not recorded.

Mrs. [REDACTED], Berks County Juvenile Probation Officer, Berks County Courthouse, Reading, Pa., [REDACTED] advised 10/9/63 that in conversation with [REDACTED] a couple of days ago he made mention of the fact that his wife had won \$ 50 from a local store. [REDACTED] said " I'll pay the tax on it but ROY will get the money". In the ensuing conversation [REDACTED] mentioned that a fellow named OSCAR FUNKE, Stony Creek Mills, Pa., was paying for some of the literature FRANKHOUSER has printed. Mrs. [REDACTED] did not know how [REDACTED] learned this, and did not want to ask for fear of seeming curious.

Mrs. [REDACTED], Reading, Pa., advised 10/9/63 that she has not seen subject since about the middle of last week. She has only seen him infrequently in recent months and has the impression that he is not staying in his father's place next door, except occasionally. Whenever Mrs. [REDACTED] sees ROY it is usually in the morning, around 8 to 10 AM and he is either coming in or going out via the rear alleyway, and always carries a small knapsack. She has never seen ROY use the front entrance. Mr. FRANKHOUSER still lives at 133 S. 4th, over his barbershop, he has sold his place on south 5th St.

Mrs. [REDACTED] said that some months ago she used to see subject more often, then he was travelling with a slim, blonde boy, but she has not seen this person for months. "DOGGY" FRANKHOUSER, subject's father rants and raves about ROY's activities, and calls them " Damn kid ideas".

Inquiry 10/10-11/63 reflects that OSCAR FUNKE is an elderly man, owns the Antietam Quilting Co., Stony Creek Mills, Pa., but resides at 3613 Stoner Ave., Esterly, Pa. FUNKE has no arrest record and no reputation as an agitator. However former Chief of Police JOHN BECKER, St. Lawrence, Pa., advised 10/11/63 that FUNKE has two grandchildren living with him, [REDACTED] about [REDACTED] and [REDACTED] about [REDACTED]. Both these boys are [REDACTED] and [REDACTED] is apparently [REDACTED]. However [REDACTED] does, or at least did attend [REDACTED] College for a time. [REDACTED] and [REDACTED] are both impressionable and have been involved in several minor scrapes by accompanying other youths who got in trouble.

On the afternoon of 11/2/63, Special Agent [REDACTED] met subject by accident as FRANKHOUSER was entering the Reading, Pa., Post Office.

Subject related that he had just gotten back to town. He said that he had been spending most of his time with ROCKWELL in Virginia, but that for the last couple days, he had been in Pittsburgh, Pa., where "we won the appeal on our case." FRANKHOUSER had been arrested in Pittsburgh, Pa., a few days prior to the August 28, 1963, March on Washington, as he was conducting segregationist activities in opposition to the March on Washington.

FRANKHOUSER said that he has spent about \$700.00 recently fighting local cases, and has been arrested six or eight times. He said that he has won all the cases except one in Baltimore, which is still under appeal. According to subject, he expects to remain in or around Reading, Pa., for a couple of months. He said that he wants to get a job to recoup his finances, and to do this, he will have to refrain from any local activity. He said that "things will be at a lull for some time now."

Subject did relate, however, that he wants to get started on a "printing press operation"; and, as soon as one of his friends from Virginia gets out of jail, he is coming to Reading, Pa., to help set up this "operation." According to FRANKHOUSER, ROCKWELL has had to discontinue the operation of his printing of the "Rockwell Newsletter" for financial reasons, and ROY hopes to get a "good mimeograph machine" and handle the printing of this newsletter and other propaganda material in this area. However, in line with his intention of

ROY FRANKHOUSER, JR., who normally resides in Reading, Pa., and is presently associated with GEORGE LINCOLN ROCKWELL and the American Nazi Party, advised on November 2, 1963, that he has been spending most of his time in Virginia with ROCKWELL recently. However, he mentioned that he had just returned to Reading, Pa., from Pittsburgh, Pa., where he had appealed and won "our case."

FRANKHOUSER was one of a number of persons arrested in Pittsburgh, Pa., a few days prior to the 8/28/63 March on Washington. FRANKHOUSER and his associates were allegedly conducting a "Hate March" in opposition to the March on Washington.

St. Petersburg, Fla., appeared at the St. Petersburg RA,
8/20/63, and was interviewed on that date, on 8/21/63, and
on 8/23/63.

HE explained he has been a member of "right-wing"
groups for several years, but has become fed-up with the con-
stant bickering between individuals and the various organi-
zations; the negative approach of all of these groups,
exemplified by their condemnation of conditions, rather than
a constructive programs; and because he fears if there were
a consolidation of the various groups there might be trouble
in the country.

He identified himself as an associate member
of the American Nazi Party (ANP), a former member of a White
Citizen's Council, and a former member of the John Birch
Society. He holds an active membership in the National States
Rights Party (NSRP).

He furnished the following information concern-
ing his association with the ANP.

He joined by submitting his application to
GEORGE LINCOLN ROCKWELL's headquarters in Arlington, Va.,
1/1/62, while residing in Gainesville, Fla. He was accepted
as an associate member, which indicates a contribution of
\$10, an active interest in the cause, but differentiated
full membership because no part was taken in demonstratic
and picketing of the ANP.

He advised there were no other members in Gainesville, Fla., known to him, though a Mrs. [REDACTED] operator of [REDACTED], a music shop in Gainesville, does correspond with ROCKWELL.

There are no members of the ANP in the Tampa Bay area of Fla., known to him, though in correspondence with ROCKWELL and others, ANP members throughout the State of Fla., were identified to him.

On one occasion ROCKWELL mentioned to him that he had 300 to 400 followers or correspondents in the Jacksonville, Fla. area, and this was one of his largest followings outside Los Angeles, Calif.

In [REDACTED] contacts at Jacksonville, he met the following members of the ANP:

WARREN FOLKES
[REDACTED]

TINSLEY SAMMONS
[REDACTED]

JIM (?) DAVIS
[REDACTED]

MERCER JOHNS
Self-ordained minister

JOHN MC CLURE

He identified MC CLURE as a former resident of Palm Beach, Fla., who came to Jacksonville, from Miami, and was appointed leader of the ANP by ROCKWELL.

TP 157-752

At Miami, Fla., he knew R. L. STOVALL, as a member, and stated it was at STOVALL's residence that MC CLURE and DAVE PETERSON stayed at the time they were arrested for picketing a Zionist meeting, held at the Fountainbleu Hotel, Miami Beach, Fla.

He has corresponded with the following persons who are associated with the ANP, or the Fighting American Nationalists, which he described as a front organization of the ANP:

TP 157-52

b6
b7c

He has also corresponded with ROY FRANKHAUSER, who formerly served as National Organizer of the NSRP, and is currently in charge of Youth activities for the ANP, at Wilkes-Barre, Pa.

He identified EVA HOFF, [redacted], Philadelphia, Pa., as a 20-year-old, who is an associate of the ANP, and a prolific poet. He related he had sent poetry written by HOFF to contacts in Germany, associated with a National Socialist Movement; and, in one letter, was cautioned that poetry mentioning National Socialism, ADOLPH HITLER, or any espousal of Nazi ideology should not be sent through the mail into Germany.

On 8/23/63, [redacted] indicated he had considerable correspondence with the above individuals, and others in the "right-wing" movement, which he was considering making available to this office. He desired at the time, however, to consult with an attorney, or someone else for advice prior to doing this.

On 9/18/63, he was interviewed in connection with another racial matter, at which time he stated he had destroyed all of his correspondence and other material on the advice of an attorney friend, because he was severing all connection with the Movement, and would have no further contact with anyone concerning his experiences.

The information above is being submitted to offices covering the residence of individuals mentioned by [redacted], for information purposes.

SUBJECT: ROY E. FRANKHOUSER, Jr., aka.,

Mrs. [REDACTED], Reading, Pa., who resides next door to subject's father's barber shop and residence advised 11/14/63 that apparently subject is residing with his father.

Mrs. [REDACTED] said that for a time she had seen subject only infrequently, however for about the last three weeks she has seen him almost daily, although not at any particular time. Mrs. [REDACTED] stated that on several of the occasions she has seen subject coming home. She is able to determine this because her dog always barks when anyone comes around the back of the house. FRANKHOUSER, insofar as she can determine always enters and leaves by the rear and across the Monahan Apartment Lot, as if to avoid being seen entering and leaving by anyone who might be on Fourth St.

On only one occasion recently has Mrs. [REDACTED] seen FRANKHOUSER other than alone. This incident was on Sunday, 11/10/63 when at about 8:30 AM she observed FRANKHOUSER leaving a small blue foreign car that was parked on the Monahan Lot. Mrs. [REDACTED] said that she is not familiar with makes and models of cars, but that the car in question was a light blue small foreign car. Although it cannot be definitely established, it is known that HANS ERICH SCHWEIKERT has a light blue Volkswagen.

Mrs. [REDACTED] said that on 11/10/63 when she saw FRANKHOUSER he was carrying a "tan case across his shoulders" (((a knapsack ???))). The youth with him was only described as "young", as she did not see him too clearly.

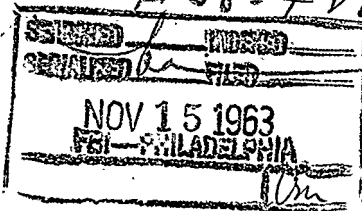

On the other occasions Mrs. [REDACTED] saw FRANKHOUSER coming home she had noted times and dates on some occasions. The following were noted. All are approximate times of arrival at the house:

Oct. 20 - 9 AM
Oct. 21 - 2:30 PM
Oct. 22 no time noted or recalled
Oct. 23 "
Oct. 24 "
Oct. 25 "

Nov. 10 - see above remarks
Nov. 11 - 4:15 PM
Nov. 12 - 3:25 PM

SUBJECT: ROY E. FRANKHOUSER, Jr.
RM

FRANKHOUSER advised this date that he has heard nothing about the assassination of President KENNEDY other than the newspaper and TV publicity. He said that many persons have expressed all sorts of suspicions, but apparently no one has any factual information.

FRANKHOUSER said that he admittedly disliked KENNEDY's pro-Negro legislation and "pampering of the Communists" but that he never advocated any violence, and he was actually relieved to learn that the assassin was apparently a Communist rather than a "right winger". He said that he and the ANP are against violence and that if he knew that violence was planned or anticipated his first action would be to advise the FBI.

Subject said that he had been in Reading, Pa., on Friday, the day KENNEDY was killed. Saturday he went to Baltimore, Md., where his case was supposed to be coming up on Monday. He contacted his attorney there, but the case was postponed after the murder of the President, and no new date has been set yet. FRANKHOUSER was told that it may be some time till the matter can be rescheduled.

FRANKHOUSER said that today he was hired as a salesman at OPO Clothes, 824 and Penn Streets, Reading, Pa., at least until Christmas. He said that he "desperately needs a job" that his finances are exhausted, and as a result he must presently refrain from any ANP activities.

AMERICAN NAZI PARTY

The November 2, 1963 issue of "The Pittsburgh Post Gazette," a Pittsburgh daily newspaper, contained an article entitled, "Three Nazis Win Appeal in 'Hate' Case." The article set out that on November 1, 1963, Allegheny County Court Judge James M. Guffey upheld the appeal of three members of the American Nazi Party and a Pittsburgh associate who had been fined on a charge of violating the city's "anti-hate" ordinance. The four had been fined \$10 each in Police Court after having been arrested August 17, 1963, in Downtown Pittsburgh.

In throwing out the conviction, Judge Guffey commented, "We permit picketing to such groups, although they may be clowns and might better have waited for Halloween." The three members of the American Nazi Party were John Patler, Roy Frankhouser, and Lynn Giesy, all of Arlington, Va., and David France of the North Side, Pittsburgh, Pa. Judge Guffey said he did not rule on the constitutionality of the ordinance.

A characterization of the American Nazi Party (ANP) appears in the Appendix attached hereto. Sources utilized in characterization of the ANP have furnished reliable information in the past.

On November 14, 1963, records of the Clerk of Allegheny County Court, Pittsburgh, Pa., indicated under Record No. C-1662 of 1963, "City of Pittsburgh vs. John

 - "b) in that Ordinance #22 of 1945 of the City of Pittsburgh, is unconstitutional under the U. S. Constitution and the Constitution of the Commonwealth of Pennsylvania.

"6. That the ends of justice require that an appeal be allowed, at which time the court may consider the circumstances set forth on the merits.

"Wherefore the petitioners also pray that an appeal be allowed from the judgment of the Magistrate to the County Court that the proceedings herein complained of may be reviewed according to law.

A copy of Pittsburgh City Ordinance #22 which was attached to the record sets out that it is an ordinance prohibiting the writing, typing, painting, printing, publishing, or distributing of any inscriptions, signs, placards, hand bills, literature, or other material which exposes any racial group or religious group to hatred, contempt, ridicule, or endangers life and property, and provides that any person or persons violating any of the provisions of this ordinance shall be subject to a penalty not exceeding \$100 or in default of the payment, shall be subject to imprisonment not exceeding 30 days.

Also included in the records was an "Order of the Court" dated November 1, 1963, signed by Judge James F. Guffey, which adjudged John Patler, Roy Frankhouser, Lynn Giesy, and David France as not guilty of violation of Pittsburgh City Ordinance #22.

He added that on Saturday, 11/16/63, while visiting his father, his father said, "The people around here are going to be surprised with what is going to happen in Abington or Willow Grove within two or three weeks." [redacted] inquired as to what his father meant by this statement but his father answered only, "Wait and see."

On Friday, 11/22/63, when [redacted] first learned of the assassination of President KENNEDY, he feared that this was what his father meant by stating that the people in the area would be surprised with what was going to happen, but specifically stated that his father had not indicated that this "surprise" had anything to do with President KENNEDY. He added that he had not seen nor heard from his father since 11/16/63 but plans to visit him again on 11/30/63 and at that time will again attempt to discreetly determine what his father meant by the aforementioned statement.

He mentioned while in company with his father he has met THOMAS BLENNING, Willow Grove, Pa., and ROY FRANKHOUSER, both of whom have indicated they are associated with the ANP. [redacted] knew of no other associates of his father connected with this organization.

[redacted] also stated that his father had indicated a desire to leave the ANP but had stated that he could not withdraw his membership because of the pressure being placed on him by other members.

He said that to the best of his knowledge BLENNING and FRANKHOUSER are the only other men in the area associated with the ANP.

Re: AMERICAN NAZI PARTY

In letters to the Federal Bureau of Investigation (FBI) dated November 27, 1963 and December 1, 1963, George Lincoln Rockwell, self-styled National Commander of the American Nazi Party (ANP), listed the names and addresses of certain individuals who, in his opinion, "...could, possibly, --not probably, --commit irrational and/or violent acts of a nature to involve the security of the United States."

On December 8, 1963, Rockwell advised Agents of the FBI that he has no definite allegations to make against the individuals mentioned in his two letters, mentioned above, but as a patriotic American, he felt it was his duty to provide the FBI with his evaluations of personalities who would, in his opinion, bear watching. With respect to each of the persons listed in his letters, he commented as follows:

Richard A. Anderson, [redacted], Pomona, California -- a criminal who is courageous in his actions and who would have no reservation in committing murder or any other crime. Anderson was the person who caused former ANP member Lawrence Gary Smith to become involved in a mail fraud.

b6
b7C

Herb Blackschleger, Sun Valley, California -- is a "nut" who makes such idiotic statements as "he is in charge of all the forces from Venus and can control these forces," and that he can "turn off the heat and freeze the world." He is a cool and calculating individual who has been successful in a business way.

Dan H. Brown, Washington, D.C. -- is a "religious nut" who would be prone to be indiscreet and actually criminal under the guise of religion.

Melvin Bruce, Decatur, Georgia -- is a vicious person who is "all go". He was involved in the racial disturbances at

Oxford, Mississippi, and does not like to be crossed or told that he cannot do something he has started to do.

Paul Berensky, Philadelphia, Pennsylvania -- is "crazy" and is beset with continual delusions of being persecuted by the Jews. He alleges that the "Jews follow him all the time and even jam the music on the radio."

Paul Caruso, [REDACTED], Alexandria, Virginia -- is a mentally disturbed person and feels that something or someone is after him all the time. He was formerly an associate member of the ANP but has been dropped. He has a record of being violent in the past and has no sense of proper restraint in his emotions. For example, on occasions when Caruso was in a restaurant with Rockwell, he would notice Negroes sitting in the area and would let out with a loud voice of venom against the Negroes which action was a source of embarrassment to Rockwell. b6 b7C

Andrew Chappell, Chicago, Illinois -- a frustrated Communist who hates Negroes.

William Cody, Chicago, Illinois -- a "weasel", a thief and a liar. Was formerly in the ANP and stole several items from the Party. Has no character and would stoop to any crime.

Lester Dotterer, Washington, D.C. -- a "nut" who magnifies everything against him. Is frustrated and, since the assassination of President Kennedy, reasoned that Lee Oswald shot Governor Connally of Texas because Connally would not see him when he asked for an audience. Dotterer also made some statement to the effect that he would have felt like shooting President Kennedy if Kennedy had refused to talk to him.

Warren Folks, Jacksonville, Florida -- has an inclination toward Communism and has spread many false stories around about Rockwell.

John Paul Fritz, Miami, Florida -- has been described as a "Communist-Nazi". Is not personally known to Rockwell.

Harold Halpern, Philadelphia, Pennsylvania -- a "jew from Philadelphia" who cannot be trusted.

John F. Hofft, Hoboken, New Jersey -- is presently a member of the ANP in New York, but is "uncontrollable." He has little common sense about how to do certain things in the area of picketing or ANP matters.

Re: AMERICAN NAZI PARTY

Donald Gerald Isaacs, Detroit 31, Michigan -- is a "nut" who advances violent means of accomplishing his tasks. For example, he was at the ANP counter demonstration in Washington, D.C., on August 28, 1963, and Rockwell had to restrain him on more than one occasion so he would not become involved in any violations of the law.

Benton Johnson, present location unknown -- has been in prison for a crime of violence and also was in a mental institution. Is violent in his hatred against Negroes and came to Arlington, Virginia, just prior to the August 28, 1963 counter demonstration of the ANP, at which time he brought a pistol with him from the State of Florida.

Barry Parks McBride, New York City, New York -- considered a "nut" but not known to Rockwell personally.

Malcolm McGuffey, [REDACTED], Oak Park, Illinois -- considered mentally disturbed but not known to Rockwell personally.

Calvin Mende, Jamesville, Minnesota -- travels about over the country and is possessed of irrational delusions about the "threat of Communism". Is unable to rationalize and chart a logical course of action to attain his professed aims.

John Franklin Newlon, [REDACTED], Alexandria, Virginia -- is "another nut" who is vicious and irresponsible. b6 b7C

Frank Niles, Norwalk, Ohio -- is not violent but has a deep seated hatred of the "Negroes and Jews." Is the type of person who is ready to die for his beliefs without any hesitation.

Owen Rierson, [REDACTED], Madison, Wisconsin -- is a frustrated individual with no guiding purpose in his life. Would follow a stronger personality "to the end" without stopping to think things out for himself to see if his actions were logical or not.

Frank W. Rotella, [REDACTED], Jamaica, New York -- a member of the ANP in New York who could be described in the same manner as John F. Hofft, mentioned above, in that he has no common sense and is "uncontrollable."

Theodore Thesing, [REDACTED], Ardsley, Pennsylvania -- a paranoid coward who would be dangerous in that he would commit actions without actually knowing just what he was doing.

Re: AMERICAN NAZI PARTY

Willis Wells, Kansas City, Missouri - a "violent, desperate" individual who is "really gone". He would have no qualms or reservations about committing any sort of crime if it would further the cause or idea he might have in mind at the time.

Alvin Wiengin, [REDACTED], Alexandria, Virginia -- served a prison sentence in the U. S. Penitentiary. Is a "big brute" who is "mean and ugly" in his demeanor and actions. Would not hesitate to kill if crossed.

Donald Wiley, Arlington County, Virginia Jail -- is not dangerous but is a pathological liar, is underhanded in his actions and is a person who cannot be trusted. [REDACTED]
[REDACTED]
[REDACTED]

Roy E. Frankhouser, Reading, Pennsylvania -- an irrational person who is not actually dangerous. He is surreptitious "like a rat" and cannot be trusted.

Richmond Braun, [REDACTED], Falls Church, Virginia -- is a criminally dangerous person. Has been in a mental institution and his "mind is gone". He shot his brother in the stomach a few years ago and feigned insanity to get out of a long term in prison. He was formerly a member of the ANP and still comes around the office sometime, but is not encouraged to do so.

In addition Rockwell stated that he was going to provide the name of David Lee Ford, in another letter to the Bureau, as a person who should be watched. He noted that Ford was a member of the ANP for quite a while until the last few days when he suddenly "went off his rocker." He moved from the ANP barracks to a room located over [REDACTED] in Arlington where he was living with Howard Lee McCuiston, also a former ANP member. Then he started writing "vile and profane" letters to Rockwell and even made threats that he was going to kill Rockwell. As a result of this action, Rockwell obtained a warrant in Arlington County charging Ford with "a threat to kill" and Ford is now in custody of Arlington County authorities.

A characterization of the ANP is attached.

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Virginia newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the American Nazi Party, the phases of ANP struggle for power are fourfold, namely, first, "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and, fourth, "the attainment of power through the votes of the newly-won masses".

On 12/16/63 Roy Frankhouser was observed by SA [REDACTED] on the West Lawn bus at Reading, Penna. Thereafter in conversation Frankhouser noted that he is staying at [REDACTED]'s home and is still working at OPO Clothes in downtown Reading. He visits his Mother once a week and this explains his being on The West Lawn bus.

Frankhouser spoke of a full page ad in the Washington Post of Sunday, 12/15/63, of the John Birch Society. He noted there is no John Birch Society in Reading, Pa., however, an attorney in downtown Reading and a hosiery manufacturer in the Antietam Valley are Birch sympathizers, no names being noted.

He mentioned that [REDACTED], formerly of Reading, had been stabbed and almost killed in Baltimore about 4 months ago when he went to the defense of two whites being chased by four negroes. [REDACTED] has been going to [REDACTED] and plans to be [REDACTED]. He has not been too active the past several years politically except to write a few speeches now and then. A case in which Lyons figured in Fairfield, Ala. sometime ago has now reached the U. S. Supreme Court.

On November 18, 1959, PH T-2 advised that subject was the owner of a .32 caliber Mauser automatic but that he had never worn it except when he had been in the Civil Air Patrol (CAP) and she did not know where he had gotten it.

[REDACTED] CAP, advised SA [REDACTED] on May 4, 1960, that he had seen subject in possession of a .45 caliber automatic at several of the group's exercises when FRANKHOUSER belonged and ROY claimed it was loaded. He had also seen a German luger and small foreign automatic in ROY's possession.

On October 17, 1962, [REDACTED], YMCA, Reading, Pa., advised SA [REDACTED] that a guest of the "Y" had a couple of automatic pistols in his room.

[REDACTED], YMCA employee in charge of dormitories, advised on October 18, 1962, that subject, FRANKHOUSER, had been a resident for some months at the "Y" and that the head matron of the building, [REDACTED], saw two pistols lying on subject's dresser.

On October 18, 1962, [REDACTED] verified that FRANKHOUSER had two guns in his room.

PH 105-4158

On May 5, 1960, PH T-2 advised that ROY had gotten back a German Mauser automatic which [] had borrowed but the only other hand guns, to PH T-2's knowledge, that ROY owns are toys. One is a toy "cowboy" type gun, a cap pistol which FRANKHOUSER sometimes wears in his home. He has been seen to wear this toy pistol and to try to outdraw the stars on television westerns while the show is on.

The other toy pistol is a small black metal replica of a U. S. Army Colt automatic or a German luger.

On January 30, 1961, PH T-8 advised that FRANKHOUSER keeps a loaded Mauser automatic under the mattress of his bed. FRANKHOUSER also claimed to have a number of modern military rifles, mostly Mausers; however, informant had never seen them.

On April 17, 1961, PH T-8 advised that on occasion FRANKHOUSER wears a Mauser pistol when he wears a uniform of gray shirt and slacks with a leather SAM BROWN type belt and an NSRP emblem on the shirt. With this uniform is worn the NSRP emblem of brassards on a Confederate flag.

b6
b7c

On March 26, 1962, Detective Captain [] Reading, Pa., Police Department, advised FRANKHOUSER requested an application for dealer approval to purchase a pistol. The permit is being refused, according to Captain [], because FRANKHOUSER gave an incorrect address on the application.

On March 27, 1962, Captain [] advised that FRANKHOUSER said that he was now residing at [] and [] said, therefore, he had no discretion in approving the application for purchase of FRANKHOUSER in regard to a 9 mm Walther P-38.

M. Associates

PH T-2 advised on January 13, 1960, that FRANKHOUSER had been in contact with FREDERICK H. POLZIN, [], Parksburg, Pa., who is interested in and active in writing segregation material. FRANKHOUSER and [] intended to visit POLZIN the following weekend and then go on to Arlington, Va., to talk

PH 105-4158

with GEORGE LINCOLN ROCKWELL about the Nazi Party and its policies.

PH T-2 advised on November 14, 1960, that ROY got a phone call, which he later advised was from ROCKWELL in Virginia, confirming the trip on the coming Saturday. ROY was elated with the call but was apprehensive about ROCKWELL calling on the telephone.

On January 19, 1960, PH T-2 advised that ROY had been to see ROCKWELL in Arlington, Va., on January 16, 1960. ROY told her ROCKWELL's office has bullet holes on the outside, that ROCKWELL passes out literature in Washington, D. C., with police protection, and that ROCKWELL is either crazy or getting well paid for what he does. ROY was accompanied to Arlington by [redacted] of Reading. ROY hitchhiked that night to see POLZIN and tell him about the trip to ROCKWELL's headquarters in Arlington, Va.

On May 5, 1960, PH T-2 advised that on April 30, 1960, ROY was in the company of WILLIAM OSMOND of Philadelphia in Reading.

II. CONNECTIONS WITH KLAN-TYPE AND HATE-TYPE ORGANIZATIONS

PH T-3 on February 17, 1958, advised that a letter, apparently having as its contents printed matter postmarked March 19, 1958, College Park, Ga., had the return address of Post Office Box 21, College Park, Ga., and was addressed to ROY E. FRANKHOUSER, Post Office Box 1215, Reading, Pa. This letter was from E. L. EDWARDS, Imperial Wizard.

The "Reading Record," a Reading, Pa., newspaper, in an article on Pages One, Two, Six and Seven of the March 7, 1958, issue, carried a story regarding KKK activities in Berks County. The article stated booklets, pamphlets, and reading material containing official KKK propaganda had been mailed from headquarters of the group in College Park, Ga.,

PH 105-4158

to Post Office Box 1215, Reading, Pa. The booklets fell into the "Record's" hands and designate "KKK, Reading, Pa., Group 7."

A reliable source the story says, who insisted on anonymity, told the "Record" that an "organizer" handed him the propaganda material. The "organizer" then said that a caravan of Klanners from the South would visit the Berks County area for a big meeting this spring.

On January 23, 1960, subject advised SA [redacted] that he is "one hundred per cent in favor of segregation" but is not in any way presently anti-Catholic or anti-Semitic. He does not condone violence in connection with segregation nor anti-Jewish activities, such as painting the swastika on synagogues. He stated that if necessary to protect himself he would shoot back but only as a last resort.

b6
b7C

On November 20, 1959, PH T-2 advised that the day before subject had a mimeographed paper about a Socialist meeting in New Jersey and wanted \$10.00 to go and when he could not obtain this he packed a duffle bag and sleeping bag, food, and supplies and left, saying he was going to hitchhike.

On November 27, 1960, PH T-2 said subject returned from New Jersey and brought home books on Communism and FREDERICK ENGELS and CARL MARX and some pamphlets and paperbacks on Socialism.

On February 11, 1960, PH T-2 advised that FRANKHOUSER got a personal letter from JAMES K. WARNER, Lieutenant, ANP, Box 1831, Arlington, Va., and WARNER referred to a call that FRANKHOUSER had made to ANP headquarters. He said Commander ROCKWELL would write if he was not so busy fighting the Jews and also that FRANKHOUSER was to receive armbands and medals of the ANP from Arlington.

On April 20, 1960, PH T-4 advised that April 20th, HITLER's birthdate, was celebrated at ANP Headquarters, Arlington, Va., by having cake and cookies. Among those at the celebration was ROY E. FRANKHOUSER. FRANKHOUSER seemed extremely nervous and admitted that he is a "chicken" but

still claims that he wants to be accepted as a member.

b6
b7C

Upon entering the Reading Resident Agency on April 26, 1960, subject raised his right hand to his shoulder height and said "Heil Hitler" to SA [REDACTED], and later explained that April 20th recently was HITLER's birthday. He advised he and [REDACTED] had been to ROCKWELL's ANP Headquarters in Virginia four times but still denied that he in any way is in sympathy with ROCKWELL's movement. He said his reason for contact with ROCKWELL is to infiltrate the group and gather information about them and their activities which he sends to persons connected with the white citizens councils, and with which he is in sympathy. He said he has in the past spoken about the "southern situation" and segregation and has distributed literature.

On July 25, 1960, [REDACTED] advised SA [REDACTED] that he had first met ROY FRANKHOUSER when they were in the ninth grade at Northwest Junior High School in 1955-1956 at Reading, Pa. ROY was older than [REDACTED], having flunked twice, and enlisted in the U. S. Army after completing that school year.

[REDACTED] through the introduction of FRANKHOUSER, has met GEORGE LINCOLN ROCKWELL, Commander, ANP, Arlington, Va., FREDERICK POLZIN, Parksburg, Pa., and WILLIAM H. OSMOND, Philadelphia, Pa., all of whom ROY associates with because of their segregation views. ROY also has claimed to [REDACTED] to have been a former member of the KKK and a personal friend of E. L. EDWARDS, a Klan leader. ROY told [REDACTED] that he had been discharged from the Army after he was injured in a fight which occurred when military police broke up a Klan meeting ROY was attending. FRANKHOUSER had said the "leader" of this Klan club was a Special Agent of the FBI.

[REDACTED] said also ROY had told him that he does or did belong to the Socialist Workers Party (SWP) and also claims to belong to the Northern League of White Citizens Councils and the National Association for the Advancement and Protection of the White Majorities.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

PH 105-4158

On October 20, 1960, PH T-5 advised that Post Office Box 431, Reading, Pa., was subscribed to by the Quad States Citizen Council, Reading Council, and that mail had been received at this box from the White Citizens Council of the Citizens Council of America. The holder of the box is ROY E. FRANKHOUSER, JR., [REDACTED], and individuals entitled to receive mail are officers of the Quad States Citizen Council, Reading, Berks County, Pa.

On the same date, informant advised Box 1432 was subscribed to by the National States Rights Party, self-admittedly a political party and political education association. Its business address was given as [REDACTED] and reflected [REDACTED] and ROY FRANKHOUSER had access to the box.

On November 10, 1960, PH T-2 advised that subject had been seen about a week ago with literature, pamphlets, throw-aways, etc., of the National States Rights Party. One of the letters reflected [REDACTED] as [REDACTED], Reading, Pa.

An offense report concerning ROY FRANKHOUSER of the Philadelphia Police Department reflected Detective [REDACTED], Philadelphia Police Department, at 9:00 p.m., February 1, 1961, interviewed FRANKHOUSER who wanted to determine whether or not any members of the NSRP had been arrested or detained as a result of the near riot which occurred at the ANP picket of the film "Exodus," February 1, 1961. FRANKHOUSER said he had at one time been a member of the Communist Party.

On February 21, 1961, PH T-6 advised that ROY FRANKHOUSER of Reading, Pa., was the State Chairman of the NSRP.

PH 105-4158

PH T-7 on November 26, 1960, advised that on November 26 and 27, 1960, the NSRP had a conference at Chattanooga, Tenn., at which officers were elected and ROY FRANKHOUSER of Reading, Pa., was elected National Organizer. FRANKHOUSER did not say much at the meeting but did advocate white supremacy and stated he was against "neo-Nazi movements." He claimed years ago he had been in the KKK in Georgia and had met ELDON EDWARDS, the Grand Wizard.

The April-May 1961 issue of "American National Book News," published by the American National Bookstore, Post Office Box 423, Wilkes-Barre, Pa., reflects the store is the official bookstore of the NSRP. The booklet reflects the officers of the NSRP and shows ROY FRANKHOUSER to be National Organizer.

On June 12, 1961, PH T-8 advised that a letter with the return address of Post Office Box 1432, Reading, Pa., the address used by FRANKHOUSER on behalf of the NSRP, contained a communication of the NSRP to describe a change of officers within the Pennsylvania group. b6
b7c

On March 22, 1963, subject advised SA [redacted] that he wanted to "report in" to the FBI and advise that he has resigned as National Organizer of the NSRP and he was severing all connection with the group and EDDIE FIELDS because of "ideological differences." He agreed with the aims of the group in the racial field but does not agree with their action. He said that he does not agree with FIELDS advocating violence and believes that the same aims could be improved better and faster by education and propaganda activity.

He said he and a group are forming a new organization in which he will be Assistant Chapter Leader but he declined

PH 105-4158

to identify this group or its members. He said the group would be similar to but not in any way connected with the John Birch Society, White Citizens Council, or any other similar anti-Communist or pro-white groups.

On March 30, 1962, subject advised SA [] "things are moving faster than we had planned" and said they expected to hold a public demonstration on March 31, 1962, in Reading. He declined to name the time or exact location but stated a professional, who has been "all over" distributing literature will probably be in Reading to distribute "extreme literature" as a test of the Constitution.

b6
b7C

On April 26, 1963, PH T-8 advised that in the February 1962 issue of "The Stormtrooper," the official publication of the ANP, there is the quotation that "ROY FRANKHOUSER, National Organizer of the NSRP, has resigned from that organization and become a fighting stormtrooper in the ANP."

The deal was to the effect that ROY would give inside news information if the paper would not print their picture.

On August 1, 1960, Captain [], Metropolitan Police Department, Washington, D.C., advised that an individual identifying himself as FRANK HOUSER of Reading, Pa., spoke at an open air meeting of the ANP in Judiciary Square on Sunday, July 31, 1960, in place of GEORGE LINCOLN ROCKWELL, Commander and Organizer of the ANP, who had been speaking each Sunday since April 1960 in Washington, D.C. Neither was arrested but were told by the police department to discontinue their activity inasmuch as they had failed to register in accordance with local ordinances.

PH T-8 advised on December 18, 1960, that on that date FRANKHOUSER led a group of four other youths to 702 Byran Street, Pennside, Reading, Pa., where the Governor of Pennsylvania, DAVID L. LAWRENCE, was scheduled to meet with a small group to launch the 10th Annual Bonds for Israel Campaign. As the Governor arrived, the group displayed placards critical of this fund-raising campaign. Local police compelled the marchers to leave. The group was to distribute "The Citizen Council," February 1960 issue, and an undated, unnumbered bulletin of the "Thunderbolt," which bore the stamped impression, "NSRP, Box 203, Mantua, N. J."

Where are the anti-Communist movies?" The movie playing was "HITLER." ROY E. FRANKHOUSER stood across the street from ULHRIG during this demonstration. No arrests were made.

PH 105-4158

On April 27, 1962, subject advised SA [] that he is working on some material regarding Communism and Communists, which he is compiling for the FBI. He also said there is a possibility that the White Citizens Councils from the South will send a train or busload of Negroes to Reading, Pa., as they have done to other areas in the North. He said that he is making a survey for the people in the South as to how many Negroes could be handled in Reading.

On May 1, 1962, FRANKHOUSER said that his Communist file for the FBI is nearly ready and he also said that there will not be any colored persons sent to Reading, Pa., from the South.

On October 18, 1962, FRANKHOUSER advised SA [] Reading, Pa., that he had been in Philadelphia, Pa., the night of October 12, 1962, at the Adelphia Hotel when the ANP picketed GUS HALL, Communist Party (CP) spokesman. FRANKHOUSER observed the near riot which ensued when the ANP Nazi-uniformed pickets were attacked. As a result, FRANKHOUSER was taken to the police department for questioning but was released when it was determined he was only passing out literature. Subsequent to release he went back with his companion and passed out about 2,000 pieces of FAN literature criticizing the Jews as being Communists. They were in cahoots with GUS HALL and the Communists.

CAPPELLE was in a Nazi uniform and the two of them were passing out leaflets deploring the holding of the ANP members in jail without trial. On February 15, 1963, FRANKHOUSER advised SA [redacted] that he had moved out of the YMCA and that in the past month he has been doing a lot of research in the Library of Congress in Washington, D.C. He also mentioned that he had been at ROCKWELL's headquarters in Arlington, Va.

He was subsequently arrested for disorderly conduct as were these youths; however, they and several other juveniles were released.

FRANKHOUSER, who headed a Nazi-type group in Reading, Pa. He said he also had learned from a student, [redacted] West Chester, Pa., that FRANKHOUSER and a girl named [redacted] had held a meeting in late April at which FRANKHOUSER made a speech regarding Nazism and passed out other ANP literature.

PH T-11 advised on May 6, 1963, that on April 27, 1963, a group of about one dozen people listened to a speech given by ROY FRANKHOUSER at the Davis Farm, Birchrunville, Pa., in which he traced the history of Judaism from medieval times to the rise of ADOLF HITLER in the 20th century. He praised HITLER as a great leader of mankind who alerted the world to the dangers of the rise of Jews in taking the economic and social life of Germany and pointing out the dangers prevalent in other nations. He said the swastika symbol of HITLER continues to the present day as the banner alerting all the world of the rise of Jewish and Negro people. Rallying to the swastika, he said, would enable one to take an active part in ousting Jewish and Negro people from influence in our society.

On May 3, 1963, subject advised SA [redacted] that he is under orders from "the Commander" (GEORGE LINCOLN ROCKWELL) to implicitly obey all laws and cooperate with the FBI. He said that he had nothing to do with the recent distribution of ANP stickers and the "Diary of Ann Fink" in Reading, Pa. ROCKWELL recently told FRANKHOUSER that there are a number of persons in Reading, Pa., who have been buying ROCKWELL literature and distributing it. FRANKHOUSER said these individuals are unknown to him and he does not condone their violence.

On May 27, 1963, FRANKHOUSER advised SA [redacted] that ROCKWELL was in Reading yesterday. He said that GEORGE LINCOLN ROCKWELL, at FRANKHOUSER's request as local head of the ANP, accompanied by about 20 of his group from Arlington, Va., gathered to hear a speech at the band shell in the City Park of Reading. The subject said the crowd was friendly and ROCKWELL's speech was well received with no incidents taking

PH 105-4158

place. After the speech the group marched across Skyline Drive, a distance of about five miles, and ROCKWELL made another speech to a still larger crowd at Antietam Dam near the Nature Museum. FRANKHOUSER and his group were in the uniform of the ANP and carried Nazi flags.

On May 29, 1963, Chief of Police BRUCE DE HART advised that Sergeant [REDACTED], Shillington, Pa., Police Department, received a complaint that an individual subsequently identified as ROY EDWARD FRANKHOUSER, a member of FAN, was passing out literature and carrying a picket sign protesting the Fellowship House dinner being held in the Emanuel United Church of Christ, South Bropst and Waverly Streets. Inasmuch as FRANKHOUSER was conducting himself in an orderly manner he was allowed to continue picketing.

On June 22, 1963, Captain [REDACTED], Southern District, Baltimore Police Department, advised that ROY EVERITT FRANKHOUSER, JR., self-admitted head of FAN, Reading, Pa., was arrested on that date and charged with making a speech without a permit, in violation of Baltimore City Ordinance, and with disorderly conduct. He had made an impassioned speech against integration. FRANKHOUSER was fined \$50.00 and sentenced to 30 days in jail in Southern Municipal Court. FRANKHOUSER was subsequently freed on \$550 bail.

On June 30, 1963, Sergeant [REDACTED], Reading Police Department, advised SA [REDACTED] that the Reading Branch of the NAACP held a rally at the George Washington Carver Post of the American Legion in Reading that date with 90 persons in attendance.

Officer [REDACTED], Reading Police Department, advised SA [REDACTED] that at about 3:00 p.m. on June 30, 1963, a truck was stopped at the Penn Street Bridge, occupied by two men, one of them being ROY FRANKHOUSER. Signs in the truck had the legends: "America for Whites; Brazil for Blacks" and "Rise Up Americans, Defend Your Nation Against the Negroes." Both FRANKHOUSER and the driver of the truck had armbands with "FAN" on them and signs in the truck had "FAN" on them. When FRANKHOUSER was requested to quit the area, he immediately stated to the officers that he was only exercising his constitutional rights and he must be allowed to do everything that the Negroes were allowed to do. Finally

PH 105-4158

after much conversation FRANKHOUSER and his companion agreed to quit the area, which they did.

On August 2, 1962, SA [] was advised by [] [] Plant Protection, Parrish Pressed Steel, Reading, Pa., that he, [], had observed ROY FRANKHOUSER on that date putting leaflets on or in employees' cars parked on company property. [] accosted FRANKHOUSER, who broke and ran. Subsequently he was picked up by the Reading Police Department and charged by [] with trespassing on private property, before Alderman []. He was released on \$300 bond. He had a large stack of one-page, folded printed leaflets entitled "FAN Action." The throwaway in scurrilous terms criticized the coming March on Washington, D.C., August 28, 1963, of the pro-integration groups in the United States. The leaflet exhorted whites to rise up and march against the Negroes in Washington.

b6
b7C

On August 12, 1963, ROY E. FRANKHOUSER, JR., provided SA [] with copies of a printed sheet bearing FRANKHOUSER's photograph and caption "What Price Free Speech." The leaflet, signed by FAN, Post Office Box 1432, Reading, Pa., related how FRANKHOUSER was arrested for distributing literature calling upon white men to come to Washington on the morning of August 28, 1963, to demonstrate and oppose the huge mass rally planned by the NAACP and CORE.

The leaflet pointed out FRANKHOUSER was distributing anti-Communist literature in front of a steel plant when a company detective called him over to get the leaflet and FRANKHOUSER was arrested. The throwaway continues that FRANKHOUSER will not pay the fine and will go on a hunger strike for ten days if he has to spend it in jail.

On August 15, 1963, Chief of Police E. PRESTON PRICE, Harrisburg, Pa., Police Department, advised SA TERRY R. ANDERSON that FRANKHOUSER and JOHN PATLER on that date had attempted to pass out literature in opposition to the pro-integration March on Washington scheduled for August 28, 1963. The department would not allow them to pass out literature but took them to the front of the State Capitol where, during lunch hour, they passed out literature and

PH 105-4158

picketed. They were dressed in walking shorts and had ANP swastika emblems as armbands. They carried placards publicizing the fact they were on a "Hate Hike" through Pennsylvania to recruit Pennsylvanians to go to Washington, D.C., August 28, 1963, and countermarch against the civil rights demonstrators. They said the ANP is against race mixing and Communist conspiracy.

After an hour parading on the Capitol steps, FRANKHOUSER and PATLER were taken by squad car to the Pennsylvania Turnpike bus station where they boarded a bus for Bedford, Pa.

On August 28, 1963, PH T-12 advised that FRANKHOUSER was among a group of ANP members going from 6150 Wilson Boulevard, Arlington, Va., ANP Headquarters, with GEORGE LINCOLN ROCKWELL, National Commander of the ANP, to the Washington Monument grounds, Washington, D.C., August 28, 1963, to counter-demonstrate against the NAACP and other pro-integration groups taking part in the March on Washington that day.

IV. MISCELLANEOUS

PH T-2 advised on October 28, 1959, that ROY E. FRANKHOUSER, JR., was then unemployed and residing with his father at 433 South Fifth Street, Reading, Pa. He continues to take his meals with [redacted].

[redacted]. PH T-2 said subject is becoming interested in Socialism and on October 31, 1959, in a letter from a [redacted] in New York City that ROY recently received, the girl asked him to come to New York City again and take her to a Socialist meeting.

On April 20, 1960, subject advised SA [redacted] that he is desirous of registering under the Foreign Agents Registration Act (FARA) of 1938 and exhibited a printed slip of paper cut from the text of a book, giving an excerpt of the Act. He said he had only recently become aware of the Act and feels that possibly he should register lest he get into trouble. He said he had been gathering information relative to race matters, civil disorders, etc., from public

PH 105-4158

source material and furnishes this to several people in Johannesburg, Union of South Africa. He is aided in this by [redacted], who is also a segregationist.

He said he is doing this for the benefit of "SABRA," which is the South African Bureau of Racial Affairs. He said he has not been solicited to do this work nor is he paid for it. He also said that it is his intention in the future to circularize and distribute literature on behalf of SABRA, in addition to making public speeches. He felt that he should register under the Act because of the above activity.

On July 1, 1960, [redacted]
[redacted], Reading, Pa., advised SA [redacted] that he knows ROY FRANKHOUSER and often eats supper at the Varsity Luncheonette where ROY eats. He characterized ROY as "not having all his marbles" or being a "Commie." ROY's basic theme is to send all the Negroes back to Africa. He has a habit of standing around during a conversation between strangers and in a very short time butting in and trying to convince them that the United States should get rid of Negroes. [redacted] said he is amazed that somebody has not punched ROY in the mouth for butting into conversations.

He said ROY is somewhat contradictory in that he has told [redacted] that he is a member of the CP and then very shortly thereafter will say he is not a Communist and points out that the NAACP is composed of Communists.

PH 105-4158

On July 1, 1960, [redacted] of the Varsity Luncheonette, advised he has threatened to eject FRANKHOUSER from the place. FRANKHOUSER had told people in the luncheonette about segregationist groups and although the group does not believe in violence as a whole, if violence is needed violence it will be and the Negroes will be shipped out of the United States or dropped in the ocean. ROY said he does not advocate force to overthrow the government but does state that the basic objective of the segregationist is to get rid of the Negro and if to accomplish this force is necessary, then force will be used. He said there will be great race riots in large cities as have never been seen before.

b6
b7C

[redacted], Reading, Pa., [redacted] of the Gross Bar and Grill, advised SA [redacted] on May 2, 1962, that ROY FRANKHOUSER is a sometimes customer in the bar. He said most of the customers ignore FRANKHOUSER

PH 105-4158

and it is only relative strangers who allow themselves to become involved in discussions with ROY.

On March 26, 1962, FRANKHOUSER advised SA [] that he is "getting out of shape" and he and a number of friends are going to undertake a program of training in guerilla tactics, mock warfare, etc., to get back in physical shape. He said that "one of our members" owns a whole mountain out near Shillington, Pa., near a country club where the group is going to work out.

On June 6, 1962, PH T-8 advised that in regard to the guerilla type training that FRANKHOUSER and his group were going to take part in to "get back in shape," ROY has not said nor done anything since March about it. Informant advised this is apparently another declaration of FRANKHOUSER in an attempt to bolster his own ego and importance in the eyes of others.

On July 17, 1962, [] Reading, Pa., advised SA [] that he has known FRANKHOUSER for a number of years and he characterized him as an "odd ball" who reads omnivorously, who can intelligently discuss innumerable subjects and yet, sometimes seems mentally unstable to []. He said he was not sure ROY "had all his buttons." [] also advised that he had some question in his mind as to whether or not his own relationship with FRANKHOUSER in the past might be harmful to him in the future.

b6
b7C

On August 7, 1962, PH T-8 advised that FRANKHOUSER is not at the present time doing anything in the way of racial activity or agitation and the informant could not understand why this radical change from FRANKHOUSER's rabid interest in things to do with segregation. ROY had stated that nothing was now going on with regard to the ANP.

On November 15, 1962, [] Shillington, Pa., made available for SA [] to examine several legal-type forms which had been sent to him certified mail by FRANKHOUSER. The letter was postmarked September 5, 1962, Post Office Box 431, Reading, Pa., Return Receipt Requested, to ROY FRANKHOUSER.

PH 105-4158

The letter was a "Notice to retract and repent; or in the alternative be liable for action at law and equity for libel." The notice to retract is signed by FRANKHOUSER before a notary public and in it FRANKHOUSER attests to the fact that he has served with honor in the CAP, resigned voluntarily, and that he is not and never was disloyal or affiliated with any subversive or un-American organization. It further demands that GIBSON and ROBERT P. URKUSKI, CAP official, sign the enclosed notice of public retraction and if they do not, libellant will bring criminal and civil action. FRANKHOUSER claimed to have served in the CAP with honor, was not dismissed, and had never taken part in any un-American activity nor ever tried to talk others into attending "extremist" meetings.

On April 10, 1963, PH T-13 advised that he recalled ROY FRANKHOUSER from Reading, Pa., who was connected with GEORGE LINCOLN ROCKWELL's ANP, coming to Delaware on occasions, approximately two years ago but he did not recall having seen FRANKHOUSER recently. He said that the manager of the Rialto Theater in Wilmington, Del., had recently received a letter bearing the signature of FRANKHOUSER, indicating support of the theater manager in resisting efforts to integrate the theater. The theater recently had been picketed by integrationists.

On May 17, 1963, [redacted], Attorney, former Assistant United States Attorney, [redacted], Reading, Pa., advised SA [redacted] that [redacted] of the County Bar Association on Civil Liberties, had told him on May 14, 1963, that a self-admitted member of the ANP, ROY FRANKHOUSER, had several days previously gone to DARLINGTON HOOPES, local attorney, and told him that he is the local head of the ANP whose purpose is to oppose the Jews and Negroes in every way legally possible. He told HOOPES that the group would become active very soon and when they become active "bricks usually fly and then we are arrested instead of the aggressors." FRANKHOUSER queried HOOPES as to whether or not the Berks County Bar would defend ANP members who were arrested. FRANKHOUSER was told by both HOOPES and [redacted] that the Bar Association had a Legal Aid Bureau whose purpose was to defend indigents and also that the Civil

St. Petersburg, Fla., advised on August 23, 1963, he was formerly a member of the ANP and other right wing groups. He has in the past corresponded with ROY E. FRANKHOUSER, ex-National Organization Director of the NSRP, who, he understands, is currently Youth Director for the ANP at Wilkes-Barre, Pa.

On December 8, 1963, GEORGE LINCOLN ROCKWELL, National Commander, ANP, 6150 Wilson Boulevard, Arlington, Va., advised Special Agents [REDACTED] and JESSE C. HALL that ROY E. FIGHTING AMERICAN NATIONALISTS (FAN)

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by Brent Howell Bell as an anti-communist organization. Rockwell said FAN was organized in September, 1960 and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued there are three members of the FAN in Washington, D. C. They are Raymond D. Goodman, the National Director; Brent Howell Bell; and Schuyler Davenport Ferris.

A source advised on February 17, 1961 that in talking to J. V. Kenneth Morgan, Deputy Commander, ANP, Morgan stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

**UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN
(UNITED KLANS)**

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Ga., under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan, Inc., forming United Klans of America, Inc., Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July 1958 issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who runs the NSRP."

II. POTENTIAL DANGEROUSNESS

[REDACTED], Agent in Charge, 701st CIC Detachment, Fort Bragg, N.C., advised July 30, 1957, that on February 3, 1957, FRANKHOUSER told the librarian at the base that he was very much interested in KKK working principles and desirous of meeting Klansmen in the area. He had a letter of introduction from the former Exalted Cyclops of Reading, Pa., No. 265 Great Titan of Berks County, Pa., to prove FRANKHOUSER's authenticity and sincerity in securing membership in the KKK.

A characterization of the United Klans of America, Inc., Knights of the Ku Klux Klan (United Klans) is attached hereto.

[REDACTED] stated FRANKHOUSER was interviewed relative to his interest in the Klans and FRANKHOUSER insisted his

ROY E. FRANKHOUSER, aka

purposes and intent was to eventually furnish information to Army Intelligence regarding the identities of military personnel who might be considered disloyal. [redacted] said after lengthy interview with FRANKHOUSER it was the opinion of the office that FRANKHOUSER was a "mixed up young man" and that FRANKHOUSER was subsequently referred to the U. S. Army Hospital, Fort Bragg, for psychiatric treatment. On November 15, 1957, [redacted] said FRANKHOUSER was being discharged under honorable conditions November 18, 1957.

A confidential source, who has furnished reliable information in the past, advised December 18, 1960, on that date FRANKHOUSER had been with a group at 702 Byran Street, Pennside, Reading, Pa., picketing the Governor of Pennsylvania DAVID H. LAURENCE, who was scheduling a meeting with a group to launch the 10th Annual Bonds for Israel Campaign. The group displayed placards critical of the campaign whereupon they were compelled to leave by the local police. The group wanted to distribute the "Citizens Council" issue of February 1960 and a bulletin of the "Thunderbolt" of the National States Rights Party (NSRP).

A characterization of the NSRP is attached hereto.

On December 8, 1963, GEORGE LINCOLN ROCKWELL, National Commander, American Nazi Party (ANP), 6150 Wilson Boulevard, Arlington, Va., advised Special Agents of the Federal Bureau of Investigation [redacted] and JESSE C. HALL that ROY E. FRANKHOUSER, Reading, Pa., was an irrational person who is not potentially dangerous. He is surreptitious "like a rat" however, and cannot be trusted.

A characterization of the ANP is attached hereto.

On April 17, 1961, the source advised that on occasions FRANKHOUSER wears a Mauser pistol.

On March 27, 1962, Captain [redacted], Reading, Pa., Police Department, advised that FRANKHOUSER was issued a pistol permit that date in regard to a nine mm. Walther P-38.

III. CONNECTIONS WITH HATE
ORGANIZATIONS

A second source, who has furnished reliable information in the past, on February 21, 1961, advised that ROY FRANKHOUSER, of Reading, Pa., was State Chairman of the NSRP.

The April - May 1961 issue of the "American National Book News," Wilkes-Barre, Pa., the official bookstore of the NSRP, reflected that ROY FRANKHOUSER is the National Organizer of the NSRP.

Am. Nat. Book News
On April 26, 1962, the first source advised that in the February 1962 issue of "The Stormtrooper," the official publication of the ANP, there is a quotation that "ROY FRANKHOUSER, National Organizer of the NSRP, has resigned from that organization and has become a fighting stormtrooper in the ANP."

On August 28, 1963, a third source, who has furnished reliable information in the past, advised that FRANKHOUSER was among a group of ANP members going from 6150 Wilson Boulevard, Arlington, Va., ANP National Headquarters, with GEORGE LINCOLN ROCKWELL, National Commander of the ANP, to the Washington Monument Grounds, Washington, D.C., August 28, 1963, to counter-demonstrate against the National Association for the Advancement of Colored People and other pro-integration groups taking part in the March on Washington that day by integration groups.

APPENDIX

Characterization of Organizations

AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
aka THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leaders," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963 a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 31, 1963 this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963 RICHARD BERRY NORTON, the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

MICHAEL RALPH PAINE
Philadelphia File 105-10004

At 3:35 p.m., this date, ROY E. FRANKHOUSER, JR., who is well known to this office, came to the Reading RA. During the course of conversation, he related the following:

GEORGE LARRABEE (ph) may have had something to do with the assassination of President John F. Kennedy. According to FRANKHOUSER, he met GEORGE LARRABEE in New York City some years ago. LARRABEE had been a CP member, but at the time FRANKHOUSER was in contact with him, both were affiliated with the SWP. FRANKHOUSER was affiliated under ROY HOUSER for the purpose of getting information about the CP and SWP for the benefit of the National States Rights Party with which FRANKHOUSER was actually in sympathy.

At that time, LARRABEE was a cartoonist for the "Militant", publication of the SWP. LARRABEE's wife was a proofreader for some man's magazine and both she and her husband used the pen name PAINE in their respective businesses.

Having recently learned that LEE HARVEY OSWALD who assassinated President Kennedy had lived with people named PAINE in New Orleans and knowing LARRABEE's subversive affiliations, FRANKHOUSER wonders if there might not be a connection between LARRABEE and the person with whom OSWALD resided for a time.

He has absolutely no further basis for this suspicion, however.

Philadelphia has conducted extensive investigation regarding the background of RUTH HYDE PAINE and MICHAEL RALPH PAINE and there is no indication that either of them has had any connection or ever used the name LARRABEE in New York City. Neither has resided in New York City as far as is known, with the exception of MICHAEL PAINE when he was a small pre-school child.

In view of past experience with information furnished by FRANKHOUSER and the fact that extensive investigation has been conducted regarding the PAINEs, it is suggested no action be taken on FRANKHOUSER's information.

Recently, subject, who is a member of GEORGE LINCOLN ROCKWELL's American Nazi Party, bragged to agents that the Reading Group had recently purchased a "Liberator 500" duplicating machine, which they are using to run off literature for the ANP. Subject mentioned that they got it at a "good price."

Inquiry in the Reading, Pa., area reflected that last October or November (1963), the Book Mart, 6th and Court Streets, Reading, Pa., sold a machine of this model. [redacted] of the Book Mart, stated that late last fall, two men came to him to purchase a duplicating machine, and after some negotiations, he sold them a machine, a Liberator 500, made by Speed-O-Print Corporation, Chicago.

[redacted] said that the machine he sold them was new, and had been in stock for a year or two. He checked invoices, and was unable to locate data reflecting the receipt of this machine from the manufacturer. In any event, he does not keep records of serial numbers.

b6

The sale was for cash, after purchasers "beat down the price," to which he agreed because the machine had not been sold before, and purchasers took it with them. The machine lists for \$219.50, but he thinks he sold it for about \$160. [redacted] does not know the identity of the purchasers. He stated that #1 was a white male, about 5'6", stocky build, possibly fifty years old. #2 was also a white male, tall and slender, blond, about twenty-five years old, with a [redacted]. #2 man is probably [redacted], known associate of FRANKHOUSER also

In an effort to locate the whereabouts of this machine, the following should be checked at the Speed-O-Print Corporation, if possible; If guarantee cards are filed by date and/or area, check for the Reading vicinity about October, December 1963, to determine what persons purchased such a machine about that time.

If cards are filed by serial number, attempt to determine serial number of the machine shipped to the Book Mart which would have been on hand a couple of years until recently sold, and then check on guarantee cards for that number.

On 1/27/64 [REDACTED], then confined to the Berks County Prison, Reading, Pa., on local charges was contacted on another matter. During the course of conversation [REDACTED] was shown a photo of FRANKHOUSER and asked if he had ever had any contact with this person. [REDACTED] recognized the photo (he said) ~~that he had never seen it in the Berks County Record.~~ He recalled that it was a kid named ROY HOUSER, or something like that. Later he did say he thought the name was FRANKHOUSER.

[REDACTED] denied ever having knowingly seen this person. He said that he does not, to his knowledge ~~have~~ have any friends who are associated with FRANKHOUSER. [REDACTED] said that to the best of his recollection the first time he ever heard of FRANKHOUSER, or even saw his picture was several months ago when he and a couple of his friends were having a discussion in some local bar, and one of his friends ~~said~~ said something about having seen a gang in Uniforms and carrying a Nazi Flag down around the Antietam Lake. [REDACTED] recalled that he and his one friend told the other fellow he must have been drunk, but a couple days later the Berks County Record carried an article about ROCKWELL having had a Nazi demonstration in Reading, Pa.

[REDACTED] said that he did not and never has felt that either of his friends were pro-Nazi, and nothing they ever did or said seemed to indicate this to him at any rate. He stated that the two persons mentioned above were [REDACTED] who works for [REDACTED] and lives in an apartment with his family in the 600 block of [REDACTED] and [REDACTED], who [REDACTED] met through [REDACTED] and who works for some Oil Company. [REDACTED] said he does not know where [REDACTED] lives.

He met [REDACTED] through [REDACTED], who he has known some time and probably met in some Bar. [REDACTED] stated that in the past he had frequented the Clique, the Big Apple and most of the other downtown bars. He went to the Big Apple because it was close to where he lived at [REDACTED], and to the Clique because he had several friends who spent a lot of time there, and he liked the surroundings, although it was higher priced than the Big Apple.

[REDACTED] said that aside from the remarks related above he has never heard [REDACTED] or [REDACTED] discuss any Nazi activities, nor had any reason to suspect either of these persons was affiliated with any subversive or illegal group.

On 1/15/64, at 3:35 p.m., subject voluntarily and unannounced came to the Reading Office. He left at 4:25 p.m. In the interim he volunteered the following information or it was indirectly elicited:

Subject is again unemployed. His job at OPO Clothes had been a temporary one for the Christmas Season; he was let go 12/28/63. He is looking for a full-time job in the area, but has found nothing to date. He is living "here and there." Occasionally he will stay at his father's place (133 South 4th Street) for a few days. Other times he spends a few days at [REDACTED] place ([REDACTED]). FRANKHOUSER also intimated that he spends some time at other places in the area, but did not say where. He said that his father disapproves of his current affiliation with the ANP, but will not do anything about it. However, FRANKHOUSER, SR., gets very upset whenever subject's name is publicized and if ROY is staying there when this happens he has to leave for the time being.

ROY said that "we have not been active for some time, but plan to resume passing out leaflets in the immediate future locally, in connection with Brotherhood Week." He said that "we" have acquired a "printing complex" and explained that "we" now have a Liberator 1500, a duplicating machine capable of turning out 5000 copies an hour, and reproducing photographs and sketches, etc. This machine was recently acquired new and usually costs well over \$500 but they got it at a "good price." They also have an IBM Electric Typewriter.

Unfortunately RALPH HASSINGER, who was from Mt. Joy, Pa., and who was the only person capable of operating this equipment well, died about two weeks ago in the Reading Hospital. HASSINGER had been living in Reading and working at the Reading Hospital. He took sick Christmas Day, it was diagnosed as "a minor infection" but turned out to be pneumonia.

ROY tried to get out some material on the electric typewriter and jammed up about five keys at once, also the carriage stuck and they had to get a repairman to fix it. Fortunately it was not a serious matter.

FRANKHOUSER stated that "we, locally" are getting out ROCKWELL's "Inter-Party Newsletter" on this new equipment. They also made up thousands of leaflets which were distributed in Philadelphia around Christmas.

FAN is almost defunct. "We" have decided to fight Communism on an intellectual basis, and most of the material put out in the future, at least insofar as is planned, will go out under the names of "various fluid Committees." FRANKHOUSER said that our recent material distributed in Philadelphia was under the names of the "Emergency Committee to Free Rudolph Hess" and the "Emergency Committee to Free the Irish Political Prisoners." FRANKHOUSER said that we care nothing about the IRA prisoners held by Great Britain, but we want HESS freed, and injecting the Irish Political Prisoners into the issue will win the support of those of Irish background and ancestry.

Subject mentioned that RALPH FORBES, who is a Captain in the ANP was in Reading for several months, but has gone back to Virginia. ROCKWELL is doing a tremendous job, but of course he has a lot of help, both physical and financial. FRANKHOUSER had been in Virginia some time ago helping get the "winter supplies" ready. ROCKWELL jokingly refers to the ANP Barracks as "Arlington Forge" (a combination of Arlington and Valley Forge) and is stockpiling food and clothing for his followers there.

PH 105-4158

ROCKWELL writes some of his own material but is ably assisted by PHIL STEVENSON, who used to write for "The Virginian" and by a Professor from the University of Hawaii.

FRANKHOUSER also mentioned that about a year ago there had been a group in Allentown, Pa., who used the name "Four Freedoms Foundation." They were located somewhere on Gordon Street. Their main function was to put out a booklet twice a month exposing the Communist line. They did this by "monitoring" all Russian Newspapers and printing excerpts from them in English of everything that was said about the United States. FRANKHOUSER said he may well contact this group if it still exists and enlist their mutual support.

FRANKHOUSER assured the writer that "we are completely law abiding and would not consider violence." He said that the next thing planned is the issuance of leaflets condemning Brotherhood Week. It is planned to have a separate anti-Communist leaflet for every day in the week. Probably these will be under the cover names of one or more front groups, such as the "Emergency Committee to Combat Communism" or "Amnesty for Hess and the Irish Political Prisoners."

FRANKHOUSER mentioned that a seminar is planned for 2/8/64 at Albright College to make final plans for Brotherhood Week. The first pamphlet will probably be put out at Albright on 2/8/64. Brotherhood Week is scheduled for 2/17-22/64.

RE: AMERICAN NAZI PARTY

On December 30, 1963, information was received from an individual with whom contact has been insufficient to judge the reliability of his information, who does not wish his identity disclosed, that a new organizational structure is being contemplated by the American Nazi Party in Arlington, Virginia. This individual further advised that in the past, the American Nazi Party Headquarters felt that open association with the American Nazi Party or through a front group activity such as the Fighting American Nationalists has failed because of the American Nazi Party's connection or association. The new concept would consist of cell organizations. These cells would operate with a total of three or possibly four individuals. For each particular area, a "master" cell would be in charge of the other cells in the same area. The cells, other than the master cell, would operate without the knowledge or identity of the other cells in any given area. Only the master cell, which could be designated and charged by the American Nationalist Party in Arlington, would know of the members in a specific area and the cells to which they belong. The primary reasons for this new setup were because of the safety in that the cells could operate on the "QT" and because of this "safe feeling", those participating would achieve a feeling of contribution to the cause.

The source also advised that a "dummy" cell was set up in Reading, Pennsylvania by Roy Frankhouser and two others, whose identity was unknown to the source. One of the first things this cell did was to "adopt" one Trooper in Arlington. This cell would periodically send basic needs to this Trooper in Arlington. The cell, when purchasing a normal supply such

as food, soap and other basic necessities would purchase one additional commodity or item and eventually send that to Arlington to the adopted Trooper for his benefit.

The three members of the Reading cell were also required to take out a personal loan, buy a typewriter, and mimeograph machines for cash. The whole idea in back of this cellular movement is that it creates a strong nucleus with the geographical center of the cell at the location of the aforementioned machines which are kept by the operator normally at his home.

The cell will consist of a leader, a secretary who stays in general regular touch with the Arlington Headquarters and a machine operator. The cell will distribute three types of literature as follows:

1. Anything furnished to the cells by the American Nazi Party in Arlington.
2. Any literature produced by the cell for the Nazi Underground.
3. Any literature produced for "dummy" organizations.

The source explained that the dummy organization is any name that could be dreamed up which would take a particular stand on local issue only. There would be no public tie-in with the American Nazi Party in anyway.

Concerning the Nazi Underground, the source advised the American Nazi Party was trying to convey the impression that there is a Nazi Underground that is or is attempting to infiltrate organizations such as the John Birch Society.

The source reiterated that all cells are to operate independently but are subject to direction by the American Nazi Party Headquarters in Richmond.

The source advised that there is one potential cell in Philadelphia; however, he had no information regarding this development.

The source advised that when discussion of this type of organization was initiated, Rockwell openly opposed it; however, in view of the success of the Reading, Pennsylvania cell that Frankhouser organized, and the fact that they have sent money and supplies to the American Nazi Party Headquarters he has changed his attitude toward the development but has not

RE: AMERICAN NAZI PARTY

openly accepted this idea without some reservations. The source continued that each cell is setup on a time-limit basis to get organized. In this 30-day period, they must obtain the aforementioned loan, secure the necessary equipment and begin producing and distributing literature. If, in the 30-day period, the cell has not complied with these three things, Headquarters "forgets them". However, in the event the cell does get a loan subsequent to the 30-day trial period the American Nazi Party Headquarters would accept them.

The source advised that there are 21 supporters of the American Nazi Party in New Orleans, Louisiana interested in the idea of the new organizational setup. This group has offered to pay one-half of Frankhouser's expenses to come to Louisiana and work in that area. This source continued that Frankhouser and Allen Welch went to New Orleans recently and helped to raise \$200.00 in that city for the American Nazi Party. Welch, an officer in the American Nazi Party at Arlington, has been selected to ramrod this cell idea.

The source advised that the American Nazi Party is in dire financial straits and has a very low morale amongst the men in Arlington. He advised that the food is low, the money is not coming in the way it should and the whole organizational setup in Arlington is in bad shape. He advised there has been some friction between Floyd Fleming over the rent due each month on the Headquarters.

He advised there is definitely dissension in the ranks and that Major Karl Allen left the American Nazi Party recently to go to Florida claiming there were too many activities by the Party which were draining the Party financially and otherwise.

The source continued that there are factions and that when Allen resigned, some of the others, the identities not known by the source, also resigned. The source advised that Harry Blair and Richard Braun are also supposed to have quit the American Nazi Party.

This source also advised that Welch made the statement that one of the headquarters staff "went crazy and tried to kill the commentator". The source could furnish no further details regarding this incident.

RE: AMERICAN NAZI PARTY

The source advised that Rockwell is still planning to run in the presidential primary in New Hampshire and also the gubernatorial race in Virginia.

Characterizations of the American Nazi Party, Fighting American Nationalists, and the Baltimore Fighting American Nationalists groups are attached herewith.

FIGHTING AMERICAN NATIONALISTS
BALTIMORE, MARYLAND

On October 8, 1963, RICHARD BERRY NORTON, former self-admitted Director of the Fighting American Nationalists (FAN), Baltimore group, advised Special Agents of the Federal Bureau of Investigation that the Baltimore group of FAN was first organized in the spring of 1961. He advised there is no official connection with the American Nazi Party (ANP), but that until December, 1962, his group in Baltimore had received all of their literature from the Rockwell group.

He further advised the Baltimore FAN group is composed of individuals who are in sympathy with the purposes and aims of the ANP and that the group was organized to teach and educate members along the FAN line.

He advised the group has no official headquarters but usually meets at 611 Cathedral Street, Baltimore, and uses Post Office Box 103, Baltimore, as a return address.

He also advised that the activities of the group are directed by CHARLES LUTHARDT, SR., Glen Burnie, Maryland, the only current officer. He continued that LUTHARDT was the former Public Relations man for FAN when he was the Director.

On October 11, 1963, a confidential source, who has furnished reliable information in the past, advised that FAN, Baltimore group, was entirely separate and not a part of the ANP.

It should be noted that a "Liberator 500" lists at \$219.50, not "over \$500"; however, it was ascertained that the Book Mart, a local Reading office supply store, did sell a Liberator 500 late last fall to two men for "about \$160 cash" and they took it with them. This machine, although new, had been on hand for a year or two. Attempts are being made to identify and locate this machine and the IBM typewriter FRANKHOUSER claims they have.

AMERICAN NAZI PARTY

On January 15, 1964, ROY E. FRANKHOUSER, JR., self-admitted American Nazi Party (ANP) member in Reading, Pa., advised a Special Agent of the FBI that "we have not been active for some time," but stated that the ANP locally intends to begin passing out literature again in the immediate future. This will be in connection with Brotherhood Week, scheduled to begin about February 17, 1964. There is allegedly a seminar to be held at Albright College (Reading, Pa.) just prior to February 17, 1964. The first pamphlets will be distributed there at that time, and then there will be a different pamphlet for each day during Brotherhood Week.

FRANKHOUSER said that FAN (The Fighting American Nationalists) is "nearly defunct," and "we are going to fight Communism on an intellectual basis." The leaflets to be put out in the next month will probably not show any connection with the ANP but will bear the names of "fluid front groups." FRANKHOUSER explained that the Reading group made up thousands of pamphlets which were distributed in Philadelphia, Pa., just prior to Christmas. The names "Emergency Committee to Free Rudolph Hess" and "Emergency Committee to Free the Irish Political Prisoners" were used on these leaflets. According to FRANKHOUSER, "we" have no interest in the Irish political prisoners held by England, but espoused their cause so those of Irish nationality or sympathies would in turn work to free HESS.

FRANKHOUSER stated that the Reading group affiliated with the ANP has acquired a "printing complex." He claimed that ROCKWELL's "Inter-Party Newsletter" is being printed by the Reading group, and said they recently acquired a new \$500-plus duplicating machine that will print in color and reproduce pictures or sketches.

AMERICAN NAZI PARTY

This machine, known as a "Liberator 500" was acquired locally at a very good price. The group also has an IBM electric typewriter.

FRANKHOUSER related that RALPH FORBES, a Captain in the ANP, had been in Reading, Pa., for several months, but has returned to Virginia to be with ROCKWELL. FRANKHOUSER claimed he had been in Arlington (Virginia) recently, assisting in the preparation and stockpiling of food and clothing for ROCKWELL's followers there. ROCKWELL jokingly speaks of his headquarters as "Arlington Forge" (instead of Valley Forge) and says that some day they will cross the Potomac (instead of the Delaware).

FRANKHOUSER said that ROCKWELL writes a great deal of the material he puts out, but that PHIL STEVENSON, who used to write for "The Virginian" and a professor from the University of Hawaii, also write some of his material.

FRANKHOUSER repeatedly stated that, "We are completely law-abiding and do not advocate, nor will we condone violence."

[REDACTED] of the Peoples Trust City Bank, 2nd and Spring Streets, Reading, Pa., advised 2/11/64 that he resides at [REDACTED] between the dwelling occupied by [REDACTED] and his family, and the house recently purchased by [REDACTED].

[REDACTED] said that he has no contact with either family except chance meetings in the neighborhood. [REDACTED] and his wife live at [REDACTED], a place they have occupied for years. [REDACTED], a son, and a daughter, name unknown to source, live with their parents. [REDACTED] was formerly in the Army. About a year ago he attempted suicide but failed. Source does not know where any of these persons work, if they do. They are rather noisy and argumentative neighbors, and sometimes disturb their neighbors by playing the radio late at night. Source says he never sees any visitors there except a chap he knows from having seen his picture in the Berks County Record, named FRANKHOUSER. Source said that FRANKHOUSER occasionally comes to visit either [REDACTED] or [REDACTED], but source does not know if he ever stays there overnight.

Mr. [REDACTED] explained that he leaves for work about 8:15 a.m., and never sees or hears anyone at either house in the morning. It is only in the evenings, after five that he is home and has occasion to see or hear any activity. [REDACTED] said that [REDACTED] is about [REDACTED] years old, married to a [REDACTED] who is called [REDACTED] and he works at the [REDACTED] on the afternoon shift (about 4:00 p.m. to midnight). [REDACTED] and his wife have four children, all girls. Neither [REDACTED] nor any of the other members of the families own a car. Occasionally, source has seen a young blond fellow come there in a blue Volkswagen, usually on weekends. Title: ROY EVERITT FRANKHOUSER, JR.

Character: CIVIL RIGHTS

Synopsis: Victim with three other members of the American Nazi Party (ANP), Arlington, Va., arrived at Pittsburgh on 8/17/63, and began to picket the Alcoa Building, Pittsburgh, thinking it was the Duquesne Light Building, which had been picketed earlier in the week by Negroes protesting alleged job discrimination by the Duquesne Light Company. Victim and associates were carrying placards and passing out literature inciting hatred for the Negro race. All were arrested by the Pittsburgh Police Department on 8/17/63, for violation of Pittsburgh City ordinance forbidding such activities. All resisted arrest by laying on the sidewalk, and each had to be carried to a patrol wagon. Since FRANKHOUSER did not make Bond, he was confined to the Allegheny County Jail till 8/19/63, when he was released. FRANKHOUSER alleges that while he was confined to the Allegheny County Jail, he was beaten by a guard on 8/18/63; and on the morning of 8/19/63, a visual examination of FRANKHOUSER disclosed only slight marks in the vicinity of his right ear and on the right side of his neck which could have been self-inflicted. FRANKHOUSER and JOHN PATLER, one of his associates who was confined at the Allegheny County Jail at the same time, gave signed statements in regard to FRANKHOUSER's allegation.

DETAILS

On August 17, 1963, ROY FRANKHOUSER, JOHN PATLER, LYNN GIESY, and DAVID FRANCE, all admitted members of the American Nazi Party (ANP), Arlington, Va., began picketing of the Alcoa Building, thinking it was the Duquesne Light Building, which building was picketed earlier in the week by Negroes protesting alleged job discrimination by Duquesne Light Company.

These individuals were carrying placards labeling the National Association for the Advancement of Colored People (NAACP) as being Communistic, and urging the white man to fight against race mixing. The placard also stated that the Swastika Emblem of Nazi Germany is the symbol of the white man. They were also passing out leaflets containing information of the same nature. All four were arrested by the Pittsburgh Police Department on the same day for violation of a city ordinance which bans distribution, possession, or manufacturing of literature or signs exposing racial or religious groups to hatred, contempt, or ridicule. All four resisted arrest and laid on the sidewalk. Each had to be carried to a patrol wagon.

DAVID FRANCE and LYNN GIESY were later released after paying their fines. FRANKHOUSER and PATLER refused to pay a fine and were committed to the Allegheny County Jail on August 18, 1963. Both later paid their fines on August 19, 1963, and were released.

On August 19, 1963, FRANKHOUSER came to the FBI Office and complained of being beaten by Allegheny County Jail guards for no apparent reason on August 18, 1963; and on the morning of August 19, 1963, visual observation of FRANKHOUSER's body disclosed only slight red marks in the vicinity of his right ear and on the right side of his neck, which could have been self-inflicted.

Date 8/28/63

1.

At approximately 11:30 AM, August 19, 1963, JOHN PATLER personally appeared at the Pittsburgh Office in the company of ROY E. FRANKHOUSER and LYNN MORRIS GIBBY. PATLER was interviewed in the Pittsburgh FBI Office, and, at that time, executed the following signed statement:

"Pittsburgh, Pa.
August 19, 1963

"I, John Patler, make the following voluntary statement to J. Edward Madvay who has identified himself to me as a Special Agent of the Federal Bureau of Investigation by exhibit of credentials. I have made this statement in the Pittsburgh Office of the FBI where I appeared without request or instruction to make a complaint. No threats or promises have been made to get me to make a statement and I know I can consult any attorney of my choice before making a statement. I have been advised that this statement can be used in a court of law.

"I was born [redacted] at New York, New York. I have received a high school diploma. I am employed by the American Nazi Party, 923 North Randolph St., Arlington, Va. on a full time basis.

"On August 17, 1963, I was arrested by the Pittsburgh, Pa. police while I was picketting near Mellon Square at the Duquesne Light Company building. I was charged with inciting religious and racial hatred. At 1 PM on August 18, 1963 I was taken from Central Police Station to the Allegheny County Jail. I was taken to a room along with an associate Roy E. Frankhouser, Jr. and there told to undress. While undressing I heard one guard, whom I cannot identify except that he wore glasses said something to the effect -- don't get smart in here. At this moment a guard wearing badge #13

lifted his hand above his head and struck Roy E. Frankhouser, Jr. who was in the room with me. Thereafter the other guard struck Frankhouser and then the two guards drug Frankhouser from the room. I could see the guards arms moving and could hear what sounded like punches landing. There was also pulling and tugging and I heard what sounded like someone falling down stairs. The next morning at about 7 PM on Aug. 19, 1963 I saw Frankhouser and he appeared to have scars and bruises on his face. His eyes were swollen and bloodshot and he looked as if he had been through some kind of ordeal. He did not have these marks on his face when he entered the Allegheny jail on Aug. 18, 1963.

"At approximately eleven AM Frankhouser and I were released from the Allegheny Jail.

"I have read this statement consisting of this & two other pages & it is true.

"Witnessed: J. E. Madvay, SA, FBI, Pittsburgh, Pa. 8-19-63.

In addition to the above, PATLER said that LYNN MORRIS GIESY, [redacted], Pittsburgh, Pa., a member of the American Nazi Party, paid the \$10 fine on August 19, 1963, so that he could be released from the Allegheny County Jail.

ROY EVERITT FRANKHOUSER, JR., [redacted]
[redacted], Reading, Pa., furnished the following signed statement:

"Pittsburgh, Pa.
August 19, 1963

"I, ROY EVERITT FRANKHOUSER, JR.,
[redacted], Reading, Pa., make the following statement to [redacted], identified to me as a Special Agent of the Federal Bureau of Investigation. I am aware I am not required to make a statement and this statement is completely voluntary. I am aware this statement may be used in a court of law, against myself as well as others. I have been advised of my right to consult a lawyer.

"I was born November 4, 1939 at Reading, Pa. I am a member of the American Nazi Party and in this connection have been active for the past three months in full time Party activity. I am not a paid Party functionary but do receive expense money. My Party work has been directed from American Nazi Party Headquarters, 928 N. Randolph St., Arlington, Virginia.

"On August 15, 1963 I arrived in Pittsburgh, Pa., accompanied by JOHN PATLER of Arlington, Virginia, a full-time American Nazi Party functionary. Our purpose in coming to Pittsburgh was to meet with Party members, stimulate interest in the Party, raise funds, and picket the National

Association for the Advancement of Colored People (NAACP). We were aware the NAACP was holding street demonstrations in the vicinity of the Duquesne Light Co. building.

On August 17, 1963 JOHN PATLER, LYNN GIESY, DAVID FRANCE and I were arrested by the Pittsburgh Police Department while carrying placards in the vicinity of the Duquesne Light Co. building. These placards protested against the NAACP, communism and race mixing. The charge against us was violation of city ordinance number 22 of 1945, claiming that we were creating racial hatred against a racial minority.

"At about 9 PM August 18, 1963 JOHN PATLER and I were transferred from Precinct #1, Pittsburgh Police Department to Allegheny County Jail. LYNN GIESY and DAVID FRANCE had been previously released.

"Immediately after arrival at the Allegheny County Jail, PATLER and I encountered a hostile attitude on the part of the guards. We were first taken to a room where we were processed for jail admittance. We were then taken to the fingerprint room and told to take off our clothing. While I was undressing, I was struck by two officers for no apparent reason. I was hit in the head and face by these officers. Other prisoners were present as well as JOHN PATLER.

"I was then taken by these same two officers and pushed down a flight of steel stairs. At the bottom of these stairs I was grabbed by these same two officers and taken into a small hallway where the doors were closed at each end. Five officers were

present at this time and I was beaten by all of them. They hit me with their fists, kicked me and struck me with a key ring. I was struck on my head and entire body. I would estimate this beating lasted three or four minutes after which I was completely stripped of my clothing and my watch. I was then thrown headlong into a padded cell, completely nude.

"I remained in this padded cell the entire night during which various officers entered the cell and beat me with their fists and kicked me. I estimate I was beaten four times during the night. On one occasion I lost conscientiousness. On August 19, 1963 I was released from the Allegheny County Jail at about 10:00 AM at which time all property was returned to me.

"As a result of the beatings described, I suffered lacerations of the face, cracked and chipped teeth, cut gums and an inability to completely focus my eyes. I am sore and stiff throughout my body and have a severe headache.

"Of the first two officers who beat me, one was about 44 years of age, of medium height and heavy. The other one was about 25 to 30 years of age, tall and well-built. Of the officers who beat me in the hall, all were large and well-built. I can furnish no additional identifying data concerning these five officers except that one had an aquiline nose and all must have been stationed close-by due to the rapidity with which they arrived. Of the officers who beat me in the cell during the night I can furnish no identifying data because the cell was not lighted. One of the officers who entered the cell and beat me was

PC 44- 390

identical with the officer with the aquiline nose who beat me in the hall.

"During the period of my confinement at the Allegheny County Jail, I was refused permission to use bathroom facilities from the time of my admittance at about 9 PM August 18, 1963 until about 7AM August 19, 1963. During this same period I was also refused water. During the entire night of August 18, 1963 I was confined without any clothing whatsoever and had no blankets or protection. No bed was in the cell.

"This statement consisting of six (6) pages has been read to me and is entirely accurate and correct. I have initialled each page.

It was observed that FRANKHOUSER had superficial marks on the right side of his neck and face and on his right eye. He removed his clothing, with the exception of his shorts and socks, and no other marks were apparent on his body. During the interview, he claimed to have a headache and to be nauseated. On one occasion he was taken to the men's room at his request where he retched. He claimed to have had nothing to eat for three days.

SCHALANDER also left behind him a metal foot locker and a large cardboard carton containing miscellaneous articles of clothing. He told [] to save the clothes for him but that if he was not back in three weeks he would not be back and that he should dispose of the clothing as he saw fit.

SCHALANDER obtained a ride from the service station to the junction of U.S. Routes 5 and 20 with [], a representative of the American Oil Company which had leased the service station to []. [] later learned from [] that during the ride SCHALANDER told him that if any mail was received at the service station for him it should be forwarded in care of Rev. JAMES BRANCH, [], Jacksonville, Florida. After SCHALANDER left [] discovered that he had removed his Social Security and employment record from the station files to which he had access and had evidently destroyed them or taken them with him.

[] said that SCHALANDER and an individual named BILL, who may reside in North Tonawanda, N.Y., and may have been AWOL, according to his own statement, from the U.S. Army, had stopped into an Atlantic Service Station at Sheridan Parkway and Bailey Ave., Town of Amherst, N.Y., at which [] then worked, shortly before Christmas 1963 looking for work. They indicated they had just arrived from Miami, Florida, and were driving a 1956 black Buick convertible with Florida license plates, and which supposedly was owned by BILL. [] said that in a conversation with them he indicated that he was planning to take over the lease on his present Atlantic Service Station after Christmas and that he might have need for a man later on.

For several days thereafter SCHALANDER hung around the station doing small jobs without pay in order to show [] that he was qualified to work in a gas station. During this period of time he supposedly was staying with "BILL" at his home in North Tonawanda. [] took over his present station shortly after Christmas 1963 and hired SCHALANDER.

BU 157-22

[] said that he himself is from Niagara Falls, N.Y., where his family presently resides, and that he resides during the week at [], Clarence, N.Y. After SCHALANDER began working for him he also obtained a room at this motel and resided there until 1/20/64, when he left Buffalo.

b6
b7C

SCHALANDER did not discuss his background too much with [], although he did say that he had come to the United States as a boy from Germany, that his father was killed in the German Army about two days before the end of WW II, and that he had belonged to the German Youth Movement in Germany. He said he was married and divorced and did not mention racial matters or any type of subversive groups. He was very pleasant to [] and the station's customers appeared to like his work very well. He had a good knowledge of car maintenance and repair and had indicated he had previously worked at American Service Station in Florida.

When SCHALANDER left the service station on 1/20/64 he took a small suitcase with him. [] said that after SCHALANDER left he happened to notice the material deposited in the station trash can and in looking at some of this material it seemed to him that it was of a subversive nature. He accordingly removed the material from the trash barrel, placed it in the cardboard cartons and kept it in the trunk of his car for safe keeping until contacted by SA [] in response to a call to the Buffalo Office on 1/20/64.

A quick review of a few of the letters in []'s possession indicated at that time that SCHALANDER might have been identical with ROGER FOSS, a Lieutenant in the American Nazi Party (ANP). The material was turned over to Agent [] by [] and returned to the Buffalo Office for review.

A description of SCHALANDER as furnished by [] is as follows:

Age
Height

Approximately [] yrs.

[]

BU 157-22

Weight

b6
b7C

Claimed to have a Florida
Chauffeur's Driver's License

SA [] checked over the clothing contained in the metal foot locker and large cardboard carton and determined that it consisted entirely of various articles of men's wearing apparel, most of which appeared to be soiled. There was nothing pertinent contained in the pockets of shirts, trousers, jackets and coats among this wearing material. It was left in the custody of Mr. [].

A review of the other material was made by SA [] at the Buffalo Office and it was determined that practically all of the letters, pictures and other papers were evidently the property of ROGER FOSS, a Lieutenant in the American Nazi Party, and for a period of time the National Secretary of this group. There was some material which appeared to be the property of one MONTE GENE SCHALANDER. There were several small bundles of letters from girls addressed to ROGER FOSS, whom FOSS had evidently met in Florida while they were vacationing there and who had had affairs with him and expected to marry him. However, in these instances, which dated back to 1956, no mention was made in this correspondence of the American Nazi Party or his activities therein, so they were destroyed. The girls' names will be set forth hereinafter for the respective offices, for record purposes.

There were also numerous back issues of the "National Socialist Bulletin," a publication of the ANP and of the "Common Sense" publication. FOSS's picture was contained on some issues of the "National Socialist Bulletin" but when these were shown to [] he stated that FOSS was definitely not identical with the individual he knew as GENE SCHALANDER. However, there was located in the material an undated newspaper clipping, from an unknown paper, which concerned ROGER FOSS and GENE SCHALANDER serving a jail term for causing a riot, disturbing the peace and resisting an officer. Both of their pictures were in the article and when this was shown to [] on 1/29/64 he immediately identified SCHALANDER as the

BU 157-22

individual who formerly worked for him under the name of GENE SCHALANDER.

b6
b7c

[redacted], in addition, advised on 1/29/64 that on 1/28/64 a letter had been received at the station addressed to MONTE G. SCHALANDER with the return address [redacted], Jacksonville, Florida. He returned this letter to the postman.

On 2/7/64 [redacted] was shown a number of photographs found in the material, mainly photographs of ROGER FOSS with other persons, but he could not identify any of the other persons as SCHALANDER. He further advised on 2/7/64 that he had not heard anything from SCHALANDER and that therefore he planned to dispose of the clothing since it was in the way at the gas station. He promised to advise the Buffalo FBI Office if he received any word from SCHALANDER.

The letters and other material found during the review and which are believed to be of some possible value in connection with the investigation of the ANP have been initialed by SA [redacted] and are being forwarded as enclosures to this letter to interested offices. Although most of the material concerns FOSS, where there is also another individual concerned the material is being furnished to the office covering the location where this individual resides.

Some of the material which emanated from ANP Headquarters, is being sent to the Richmond Office as office of origin on the ANP. Material on FOSS and SCHALANDER are being forwarded to the Jacksonville Office since SCHALANDER was last known to be living in Jacksonville and other information indicates that FOSS normally resided in that area. In the event that FOSS and/or SCHALANDER are presently residing in the territory of another office, the material should be forwarded to that office by Jacksonville. Also being forwarded to the Jacksonville Office are the photographs for possible use in connection with the investigation on FOSS, SCHALANDER, and the ANP.

The material enclosed for each office should be reviewed for whatever value it may have in connection with the investigation of the ANP and the individuals mentioned.

BU 157-22

Final disposition of the material will be left to the judgment of the respective offices; however, if the material contains information on ANP activity by a person of another office, it is suggested that that office be furnished with pertinent information. Some of the letters were in envelopes and they are also enclosed.

Extra copies of this letter are being furnished to the Bureau and Jacksonville Offices for their files on FOSS and SCHALANDER.

NOTICE TO APPLICANTS FOR MEMBERSHIP IN THE AMERICAN NAZI PARTY

It is not easy to join the American Nazi Party. We purposely made it difficult partly to protect the Party from spies and agents provocateur, but also to weed out those who imagine this is a "club" or "gang" which can be joined lightly and frivolously.

The American Nazi Party will one day assume the enormous burdens of leadership of the American Nation, and thus of the White Western World. This is not a task for any kind of a "gang" or "mob" as we are often painted by the press. We are fighting and in training for statesmanship on a global basis, and cannot tolerate weaklings, wise guys, hoods, bullies or criminal saboteurs.

Our vicious opponents, the Communist International unhesitatingly demands that its members submit the most intimate personal information to it before joining, - much more intimate information than we demand here. The enemies' discipline also requires that a husband leave his wife without a word and move to another city, to kill and spy on orders from the criminal leaders in Moscow or New York.

We are the ONLY real, fighting opposition to this gigantic Marxist machine which has almost taken possession of the whole planet. We cannot win over such a powerful and brutal enemy by half-measures. We cannot draw back from anything just because it is "embarrassing" or "trouble".

If you are utterly sincere in your desire to fight for the White Race and our American Republic against Jewish Marxism and Race-mixing, you will cheerfully and CAREFULLY PRINT all the information required in the following form, and then swear that it is true before a Notary Public. It will be treated in the utmost confidence.

Seth D. Ryan, Lieutenant
National Secretary, ANP.

FINGER PRINTS: - - - IMPORTANT!

Place your fingerprints below CAREFULLY, in the space provided. Use a stamp pad to ink your fingers, if one is available. If not, use a cloth dampened lightly with regular ink. Prints do NOT have to be dark and heavy. They are best when clear, even if light.

Do not just press down, - roll your prints on, - the way it is done for the F.B.I., Police, etc., if you are familiar with their procedure. Roll your whole wrist around to put a square-shaped print neatly in the center of each space.

Enclosed for the Bureau are eight copies of a LHM dated and captioned as above. Copies are also enclosed for Newark and Baltimore because of their interest in SCHWEIKERT, and WFO because of its close proximity to Arlington, Va. Copies forwarded INTC, ONI, and OSI, Philadelphia.

ROY E. FRANKHOUSER, Jr., admitted member of the ANP, furnished the information to SA [REDACTED] during a chance meeting on the street. FRANKHOUSER, as the Bureau is aware, is of questionable reliability in that he has a tendency to magnify and dramatize things, although his connection with the ANP had been proven in many instances.

Continuing attempts are being made to elicit more information from FRANKHOUSER about the April 19th Mass Meeting and anything of significance will be immediately furnished Bureau.

AMERICAN NAZI PARTY

On March 23, 1964, ROY E. FRANKHOUSER, JR., Reading, Pa., an admitted member of the American Nazi Party (ANP), furnished the following information to an Agent of the Federal Bureau of Investigation during a chance meeting. FRANKHOUSER has furnished reliable information in some cases, but is also known to magnify and dramatize his own importance and activities.

A characterization of the ANP is attached.

According to FRANKHOUSER, the ANP "cell" in Reading, Pa., has been relatively inactive insofar as any public demonstrations are concerned. "We" have been entrenching ourselves, getting ready for resumed public activity in the spring. All activities will consist primarily of public demonstrations and the distribution of literature, it will be all open and aboveboard and not in violation of any law. If any demonstrations get out of hand it will be caused by the Negroes and the Jews.

According to FRANKHOUSER, "our cell" will join with other groups in a mass meeting at ROCKWELL's headquarters in Arlington, Va., on April 19, 1964. The following day (April 20, 1964) will be the date public activity is resumed. The Reading Group expects their major activities will be in the Chester, Pa., area since racial activities of the Negroes is greatest there. It is not presently known if other groups will join the Reading "cell" in the Chester activity or not.

FRANKHOUSER stated that HANS ERIC SCHWEIKERT, former Reading resident and affiliated with the ANP, is not, insofar as he is aware, planning on returning to the Reading, Pa., area. SCHWEIKERT visits in Reading only infrequently. The man, [redacted] for whom SCHWEIKERT works, has several gift shops and SCHWEIKERT is running one of these and apparently doing very well.

b6
b7c

Umu

AMERICAN NAZI PARTY

According to FRANKHOUSER, EDMUND L. HOLLAND, who resides in West Reading, Pa., is not affiliated with the ANP. FRANKHOUSER knows HOLLAND and has contacted him to solicit his help locally, but HOLLAND is a member of the John Birch Society, and may be one of the local leaders, and has no time, he says, for additional activities.

FRANKHOUSER related that the "printing complex" which the Reading ANP group has, is being used to stockpile propaganda which will be distributed later on, after public activity has been resumed in the spring.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

At approximately 11:55 a.m., 4/7/64, subject was observed entering the U. S. Post Office, Reading, Pa. At the time, subject was dressed in old, "rough" work clothes suitable for outdoor laboring work, but not for a clothing salesman.

Late on 4/7/64, [REDACTED], who has been developed as a neighborhood source, telephonically advised that at about 1:30 p.m. that date, a truck from O'Brien Moving Company stopped at [REDACTED], home of [REDACTED]. FRANKHOUSER and another youth, the latter not recognized by [REDACTED], helped the driver unload numerous boxes and cartons, which were carried into the house at [REDACTED].

Mr. [REDACTED], O'Brien's Storage and Moving Company, advised 4/8/64 that on 8/14/61 ROY FRANKHOUSER, JR., and ROY FRANKHOUSER, SR., 433 South 5th Street, Reading, Pa., put in storage there the following articles:

- 1 Cedar Chest
- 1 Toolbox
- 1 Suitcase
- 1 Book carton
- 1 Linen carton
- 4 Large cartons
- 11 Medium cartons
- 1 Wooden box

These items had been packed by the FRANKHOUSERS; contents were unknown to the company.

On a date several days prior to 4/7/64, ROY FRANKHOUSER, Jr., came in and instructed that on 4/7/64 these items all be removed from storage and delivered to [REDACTED]. FRANKHOUSER said that he would have help in the unloading; no extra men were necessary to accompany the driver. On the day scheduled for the transfer, FRANKHOUSER instructed that the items be delivered to [REDACTED].

Mr. [] stated that he did not know what was in these boxes, but from their weight, almost 1,000 pounds, he believes they must have contained books or papers of some sort. Mr. [] made available a copy of the loading sheet.

Mrs. [], advised on 4/8/64 that ROY FRANKHOUSER is living next door, and is working at the OPO Clothing Store. ROY's father is ill; he had been in Community General Hospital for a couple of weeks, and returned to his home a few days ago. Apparently ROY, Jr., and "DOGGY" FRANKHOUSER's girl friend are taking care of DOGGY, who has given up his barber business, at least for the present.

Mrs. [] sees ROY, JRA, almost daily now; he still uses the rear entrance exclusively. In recent weeks, she has seen that "blond fellow who drives the little blue Volkswagen" on only one occasion, but there is another fellow who comes to see ROY occasionally in the evenings. He is a tall youth with black hair. A neighbor of Mrs. [] who has also seen this youth said that he is a "bad boy" and has spent a lot of time in jail. This neighbor apparently knows this person's name, and Mrs. [] will attempt to determine his identity.

Mrs. [], Community General Hospital, confidentially advised 4/8/64 that ROY E. FRANKHOUSER, 65 years of age, of 133 South 4th Street, was admitted to the hospital 2/24/64 and released 3/6/64. His condition was diagnosed as "possible bowel obstruction." The patient listed as his next of kin a brother, [], Reading, Pa.

On 4/9/64, a visual check of OPO Clothes, 8th and Penn Streets, was made by writer; FRANKHOUSER, JR., was observed working there at the time.

Bureau, dated 7/1/63, cc Philadelphia.

A review of Baltimore indices reflects Philadelphia
in possession of all pertinent information contained therein

For the information of Philadelphia, FRANKHOUSER
still has pending before the court at Baltimore two charges;
(1) disorderly conduct, and (2) violation of Park Rule 46.

On 3/23/64, writer met subject by chance and FRANKHOUSER advised as follows:

He is again working at OPO Clothes, 8th and Penn Streets, but the store is going out of business and the work will soon be finished. Then he will have to look for work again. FRANKHOUSER is living with his father at 133 South Fourth Street, Reading, Pa. His father has been ill for several weeks, is now out of the hospital but will be unable to work for some time. It is an ulcer, according to the doctors.

FRANKHOUSER said that "we" are not active at present. "We" will resume our activities 4/19/64 when a "large delegation" will go to Arlington, Va., to meet with ROCKWELL. It is anticipated that the following day they will resume activities in the form of distribution of literature, probably in the Chester, Pa., area. All activities will be strictly legal. They do not anticipate any violence of any sort, but will distribute literature.

The local group of the ANP constitutes a "cell" in accordance with the plans formulated by ROCKWELL. Subject declined to identify any others in the cell or the number of persons therein.

He said that insofar as he is aware, HANS ERIC SCHWEIKERT is not returning to the Reading area. SCHWEIKERT is still working for [REDACTED] at the gift shops the latter owns in Atlantic City, Wilmington and possibly other locations too. ERIC is only coming to Reading on occasional weekends at present to visit [REDACTED].

THOMAS JAMES BLEMING was interviewed at his request and he was advised that the interview was completely voluntary on his part. He stated that he became interested in GEORGE LINCOLN ROCKWELL's American Nazi Party (ANP) and National Socialism sometime prior to his writing ROCKWELL a letter on January 5, 1962. He had seen a copy of the "Police Gazette" and read about ROCKWELL. Subsequent to January 1962, he had received in February 1962, literature from ROCKWELL espousing the Nazi cause in the United States and had passed out this literature in his school in Upper Moreland, Pa., along with [] and two unrecalled other 10th graders.

[] of the school, Mr. [], heard about the literature being passed out, called the boys in and insisted they stop passing out this type of material in the school. BLEMING said he told the Principal that he, BLEMING, was only engaging in anti-Communist and anti-Jewish activity as most Communists are Jews. He said that as a result of his Nazi views, he was threatened with being sent to Norristown State Hospital for mental examination by the Principal.

He said that Commander ROCKWELL had instructed him to be completely open and show school authorities and the police department or any other authorities all the leaflets and publications he was passing out if he was asked to do so. ROCKWELL told him to do nothing illegal.

Lieutenant [] of the Upper Moreland Township Police Department was called to the school by the Principal and BLEMING provided him with a copy of each piece of literature.

BLEMING said he returned to school the next day and was told by his friends that Federal officers were in the school. He said at this time he still had the Nazi literature and ROCKWELL's letters in his locker. He said that [] and [] were upset that the FBI was there and both wanted to be disassociated from the Nazi activity taking place in the school. They were both scared. He said that at the time he did not know if the FBI was there but that a year later Mr. [] of the school, told him that the FBI had been there on that day.

On 3/18/64 at Willow Grove, Pa. File # Philadelphia 157-499

by SAS JOHN R. WINEBERG & JAMES E. CARROLL:MMR Date dictated 3/19/64

The next day during an assembly, BLEMING was called out and told that the police were going to take him to a mental hospital. Mr. [] had informed him of this and in conversation with [] and [], BLEMING said that he defended his views to them as being a patriotic American and fighting Communism. He said the conversation wound up in his shouting accusations against them and screaming his defiance of their attempt to have him submit to a mental examination at Norristown State Hospital, Norristown, Pa.

He said that Lieutenant [] came to the school and [] took BLEMING to his home. His mother was upset that he was involved with the police but did allow him to be taken to the hospital by Lieutenant []. BLEMING claimed he was "railroaded" to the hospital by school and police authorities in an un-American manner without having the benefit of a hearing in court.

At the hospital he was examined by a Dr. [] whom he characterized as a Jew Communist. He said they had a long philosophical discussion regarding Communism, Americanism, and Nazism.

He said that his mother accompanied them to the hospital and she signed a release keeping him in the hospital for observation from that day, February 6, 1962, until February 27, 1962. After his conversation with Dr. [] he said that he broke away from Lieutenant [] and tried to escape but was prevented.

He said that during his time in the hospital he continued to attempt to recruit people to the Nazi ideology. He mentioned specifically that he became friendly after several days with MASIS PALOUIAN. He described PALOUIAN as the man who was in the hospital for observation after being charged in Philadelphia with throwing a homemade bomb on the property of U. S. Representative WILLIAM J. GREEN, JR. of Philadelphia. He said both of them had been railroaded into the hospital without due process of law.

He said that he was released from the hospital on February 27, 1962, and that he would have broken out of the hospital that day if he had not been released. He stated that the Jews, in particular Dr. [], the Jew Communist, attempted to have his mother sign the necessary papers to keep him at the hospital under observation but this she refused to do.

He said that after he was released and got home he telephoned ROCKWELL in Arlington, Va., to fill him in on what had transpired regarding his incarceration in the hospital. ROCKWELL was sympathetic to BLEMING's position and instructed him to provide the American Nazi headquarters in Arlington, Va., with a written report which BLEMING did. The report consisted of ten handwritten pages. Shortly thereafter, BLEMING received a letter from KARL ALLEN of ROCKWELL's staff in Virginia. ALLEN indicated in the letter he would be in Willow Grove shortly to talk to BLEMING and would contact school authorities in an attempt to aid BLEMING in re-entering school if BLEMING had not done anything illegal such as making bombs, painting swastikas on property, etc.

KARL ALLEN came to Willow Grove in April 1962 to BLEMING's house. He was accompanied by SCHYLER FERRIS. BLEMING said that he refused to go to the Upper Moreland High School to engage in conversation with school authorities but that ALLEN and FERRIS did have a meeting with [redacted] and teachers [redacted] and [redacted] of the staff. This conference lasted for approximately two hours. According to what ALLEN told BLEMING and because the school authorities had a tape recorder on the table, ALLEN said he and FERRIS would answer only yes and no. As a result of this conference it was decided by the school authorities that BLEMING would be allowed to return to school if he submitted himself to a psychiatric examination which satisfied school authorities that he was mentally stable. He insisted that he not go back to the Jew Communist, Dr. [redacted], but that he be allowed to go to a psychiatrist of his own choice. He said that as a result he was examined by Dr. [redacted] of the Willow Grove Hospital. He stated that the psychiatrist certified him back into school; however, in conversation he characterized BLEMING as being fanatical in his adherence to Nazism.

b6
b7c

He stated that he returned to school in the fall of 1962 and remained in school until March 1963.

BLEMING stated that he had taken part in the following activities of the ANP, the Fighting American Nationalists (FAN) and the White Youth Corps (WYC) in regard to picketing:

1. On October 12, 1962, he passed out leaflets in the vicinity of the Adelphia Hotel, 12th and Chestnut Streets, during the appearance of GUS HALL, a Communist Party national officer. He stated also that for a short time after the five uniformed ANP members had been arrested by the Philadelphia Police Department at this site, he started to carry a sign protesting HALL's appearance in Philadelphia but was stopped by the police. He and his colleagues, however, did pass out literature of FAN. These colleagues were EVA JUNE HOFF of Philadelphia, ROY FRANKHOUSER of Reading, Pa., [redacted] and [redacted], both of Willow Grove, Pa. These people all believed in the precepts of the ANP and FAN was considered by ROCKWELL and his associates as a front organization adhering to the same principles as the ANP but not using the name Nazi or National Socialism in its name because the general public would be more likely to accept FAN than anything identified with Nazi and Hitler.

2. In November 1962, exact date unrecalled, BLEMING took part in a picket sponsored by FAN in Baltimore, Md., where President John F. Kennedy was making a speech at the Baltimore Armory on brotherhood. [redacted] and [redacted] were also present at this demonstration.

3. In either October or November 1962, exact month unrecalled, he picketed the Communist Party meeting which was celebrating the 39th anniversary of "The Worker," a Communist newspaper, which was holding this meeting in the vicinity of 12th and Chestnut Streets, Philadelphia, Pa. This also was a demonstration under the auspices of FAN. Others in this picket were [redacted], EVA JUNE HOFF of Philadelphia, and ROY FRANKHOUSER of Reading, Pa.

4. He said in May 1963, he demonstrated in front of the PSFS Building, 12th and Market Streets, Philadelphia, Pa., where the West German Consulate is located in protest against the continued incarceration of RUDOLF HESS. Also taking part in this demonstration were FRANKHOUSER and EVA HOFF. This was on the instructions of Commander GEORGE LINCOLN ROCKWELL.

5. In December 1963, BLEMING said that he again passed out literature and carried a picket sign protesting HESS' incarceration. This time he was alone and it was in front of the PSFS Building, 12th and Market Streets, Philadelphia, where the West German Consulate is located. He had done this on orders of ROCKWELL and was supposed to be accompanied by FRANKHOUSER, but FRANKHOUSER did not appear. FRANKHOUSER had arranged for the printing of the leaflets to be passed out and had sent them to BLEMING.

BLEMING said that from the time he received his first communication from ROCKWELL in 1962 until he resigned from all activity in the ANP, FAN and WYC, he had passed out probably 15,000 to 25,000 pieces of literature in furtherance of ROCKWELL's ideology. He said he passed these pamphlets out in the following communities in the surrounding area of Willow Grove, Pa.:

Jenkintown, Pa.
Hatboro, Pa.
Horsham, Pa.
Glenside, Pa.
Philadelphia, Pa.
Huntingdon Valley, Pa.
Bethayres, Pa.
Ambler, Pa.
Doylestown, Pa.

He also said that he had become acquainted with GILBERT PAQUETTE, [redacted], Folcroft, Pa., who was the National States Rights Party (NSRP) leader in the area. During the rioting in Folcroft when the Negro [redacted] family moved into the area he passed out ROCKWELL's literature in this area.

b6
b7C

He stated that all of the literature he distributed had been done by hand in the form of passing out from hand to hand, stuffing in mail boxes, dropping on front porches or placing under the windshield wipers of automobiles. He stated that anytime he passed out literature it was always rubber stamped or with a written identification on it with either Post Office Box 342, Philadelphia 7, Pa., 209 Davisville Road, Willow Grove, Pa., or Sinclair Service Station, 147 North York Road, Willow Grove, Pa. He said he never did use his home address of [redacted], Willow Grove, Pa.

In January 1962, until October 1962, BLEMING said that he worked out of the Sinclair Station on York Road in Willow Grove which was operated by [redacted] who resided in North Hills. He said that [redacted] neither agreed nor disagreed with the Nazi ideology propounded to him by BLEMING and others but simply allowed them to hang around and meet at the station. He also allowed them to use the station for a mail address charging them five cents for each letter received and ten to twenty-five cents depending on the size for each package received.

BLEMING said that in October and November 1962, [redacted] arranged the renting of a small building at 209 Davisville Road, Willow Grove, Pa., for Nazi activity. He stated also that this was the time that the group began identifying itself with FAN. He said that [redacted] was arrested November 10, 1962, by the police for a fight that he took part in at Mario's Luncheonette and Pizzi Shop. As a result of this altercation, [redacted] severed all relationships with BLEMING and Nazi activity after he was allegedly told by the police to stay away from BLEMING.

After [redacted] no longer took part in activity, BLEMING operated in Willow Grove by himself and had all the literature, supplies and material at his home, [redacted].

He stated that he became a member of the WYC in February 1962 and worked for this organization until January 1964, when he quit. He stated that the following dates were pertinent in his WYC activity:

February 1962 to May 1962 - only member in Willow Grove

May 1962 to July 1963 - Pennsylvania State Commander of WYC

July 1963 to January 1964 - National Commander of WYC

January 1964 - resigned completely from WYC

He said that when he resigned as National Commander of the WYC he appointed JAMES TEETS, Uniontown, Pa., and TEETS in turn has appointed BOB JOHNSON, [redacted], Salt Lake City, Utah, as Deputy Commander of the WYC. BLEMING also provided one full length and one head shot of JAMES TEETS.

BLEMING said that the WYC is not officially or openly connected with the ANP but is a front group for youth for the ANP similar to FAN. He said the organization was founded October 1961, in Chicago, Ill., by ART BRILL, 2124 North Damon Street, Chicago 47, Ill. This is the address of the Chicago headquarters of the ANP. He stated that Commander ROCKWELL is in complete sympathy with the aims and purposes, intents, and activities of the WYC; however, he has no organized authority in the group. BLEMING said, however, that the group does practically whatever ROCKWELL wants them to do. They are the below 18 year old adherents to ROCKWELL's Nazi philosophy. He said that ROCKWELL has backed the organization financially to the extent of furnishing leaflets for distribution, some postage, and office supplies such as stamps, etc.

No one in the WYC receives any kind of a salary or even expenses as far as BLEMING knew.

He said that there was no other WYC member or activity in the Philadelphia area other than he himself and his activity consisted of passing out literature during the nearly two year period and that during this time he worked both as a WYC member and FAN member. Both have the same goals in mind and he worked intermittently for both organizations but primarily as a WYC member.

Over the time that BLEMING has been in Nazi party work he estimates he has contributed approximately \$150 to ROCKWELL in Virginia and spent \$800 on postage, telephone calls, travel, literature, stationery, office supplies, etc.; in promoting the cause of ANP, WYC, and FAN.

He stated that he has received contributions of approximately \$100 to \$150 for the WYC from the following individuals:

<u>Name and Address</u>	<u>Approximate Contribution</u>
Gardendale, Ala.	\$10.00
Gardendale, Ala.	5.00

These contributions were all from WYC adherents for WYC activity.

BLEMING said he was a member of FAN from March to November 1962 and had been issued a membership card. He said the headquarters for FAN were in the Albee Building, Washington, D. C., and SCHYLER FERRIS was the national chairman of FAN. It was used, as stated previously, as a front for ANP activity so that "Nazi" did not scare off people.

BLEMING said he decided to sever all relations with ROCKWELL and his organizations because he attempted in the summer of 1963 to get into the U. S. Air Force and was denied acceptance because of his admitted ROCKWELL activity. He also said that he had lost two jobs for trying to convert co-workers and employers to accept the Nazi ideology. He said he has unequivocally left the ANP and its activities as of January 1964.

He said that in letting Commander ROCKWELL know he was ceasing any party activity, that he was also authorized by ROCKWELL to contact the FBI to advise them of his background and activity in party matters.

BLEMING declined to furnish information as to whether or not he continues to be sympathetic to ROCKWELL's and Hitler's philosophy but his conversation consists of terms "race mixing," "comsyp," "Jew-Communist," "Zionist," etc.

BLEMING advised that the following individuals are adherents or sympathizers of ROCKWELL's and Hitler's philosophy. They reside in the Philadelphia area.

TED THESING

He said that THESING has been sympathetic and has contributed to ROCKWELL's cause since 1960 as far as he knows. He said THESING had visited ROCKWELL in Virginia. He also advised that THESING is extremely secretive and will not even give BLEMING his home address or employment. He thinks that his telephone is tapped and criticized BLEMING severely one time when BLEMING on the telephone mentioned something specific as to Nazi activity. He said THESING's telephone number is [redacted] and is unlisted.

BLEMING said the only thing he knows about THESING is that he is extremely dedicated to Nazi ideology even though he takes part in little open activity. BLEMING said he estimated THESING to be approximately [redacted] years old and having had military service in 1945 and also the Korean War.

THESING tells BLEMING of an organization called the National Elite Guard which THESING started in 1961. This organization is similar to the "Minutemen" in concept. It is based on Nazi-Fascist ideology and like the Minutemen envisions eventual invasion of the United States by the USSR, at which time THESING and his National Elite Guard will have sufficient guns, ammunition, bombs and the like to repel the invaders on the streets of United States cities.

THESING claims to have members of his organization in Philadelphia and also to have guns, .30 caliber rifles, and ammunition; however, he is so secretive that he has not told BLEMING how many members or who they are. THESING speaks of "we" in talking about the National Elite Guard, but BLEMING could furnish no specifics as to who the "we" might be.

JOHN BAUER

BLEMING stated BAUER resides on [redacted] or [redacted], Philadelphia, and has a telephone number beginning with BA 9 or BA 3. He is a strong sympathizer with ROCKWELL and has made contributions to the ANP. BLEMING on one occasion saw BAUER give a \$100 money order made out to the party to EVA HOFF to send. BLEMING said BAUER was a [redacted] along with his brother and they have their own small business. He described him as white, male, American, [redacted], [redacted] pounds, [redacted] hair, approximately [redacted] years old, who has probably been in the Armed Services.

ED BIERMAN of Philadelphia

He could furnish no further information regarding BIERMAN.

JAMES HURLEY

He said he could furnish no information regarding HURLEY other than he lived on [REDACTED], Philadelphia, and that EVA JUNE HOFF had said HURLEY was a member and contributor of the ANP.

ROY E. FRANKHOUSER

He said he has known FRANKHOUSER as a Nazi party adherent since 1962 and has had some contact with him through telephone, letters and personal contact. BLEMING said that in November 1963 FRANKHOUSER wrote a letter to him regarding a picket criticizing the continued imprisonment of RUDOLF HESS by World War II Allies. FRANKHOUSER planned a demonstration in December 1963, in Philadelphia. He told BLEMING in the letter that he would arrange to print leaflets and come to Philadelphia to aid in distribution and demonstrating. The night before the scheduled picket, FRANKHOUSER called BLEMING by telephone to tell him the pamphlets would be at the bus station in the morning; FRANKHOUSER did not take part in the picket.

BLEMING said that in August or September 1963, after the civil rights group's march on Washington, August 28, 1963, FRANKHOUSER approached BLEMING, JOHN BAUER, and THESING for a contribution of \$100 toward buying printing equipment in Reading for Nazi party purposes. BLEMING said he wrote a letter to ROCKWELL to get instructions as to whether or not contributions should be made for this project and ROCKWELL told BLEMING by letter shortly thereafter that absolutely no contributions were to be made to FRANKHOUSER for this project inasmuch as FRANKHOUSER had not consulted with ROCKWELL regarding the project. None of those asked by FRANKHOUSER contributed as a result of this letter. However, FRANKHOUSER managed to purchase a mimeograph machine or printing machine of some type and has done some printing for the cause. In one instance he printed some material for Commander ROCKWELL and it was rejected by ROCKWELL as technically sloppy.

GILBERT PAQUETTE

BLEMING said PAQUETTE resides [redacted] Folcroft, Pa., and is the NSRP leader in that area. BLEMING said he became acquainted with PAQUETTE during the Folcroft riots in the fall of 1963 when the Negro [redacted] family moved into Folcroft. BLEMING was in Folcroft to pass out FAN and WYC literature and became acquainted with PAQUETTE. It was his understanding that PAQUETTE had attended ANP meetings in Virginia and that though he is a NSRP member and that the ANP and NSRP do not cooperate, PAQUETTE is in sympathy with ANP aims. He said also that he believes that THESING and PAQUETTE know one another; however, he had no idea as to their closeness of relationship. He said he himself has not seen or heard anything of PAQUETTE since the Folcroft riots.

EVA JUNE HOFF

BLEMING said that HOFF now resides in Washington, D. C., and has been since the summer of 1963 at ANP headquarters in Arlington, Va., with ROCKWELL. He said she formerly resided in Northeast Philadelphia. He stated that he had passed out leaflets with her when she was operating in Philadelphia as a FAN representative and servicing Post Office Box 342, Philadelphia 7, Pa., through which much of the party's literature and correspondence was handled. He stated, however, that recently HOFF became disillusioned with ROCKWELL and the ANP and is now in Washington, D. C., having resigned from the party. He said that since HOFF has left the Philadelphia area that the FAN Post Office Box 342, Philadelphia 7, Pa., is now subscribed to and handled by TED THESING. He said that also sometime prior to EVA HOFF's leaving for Washington, D. C., in the summer of 1963, that after she left her home in early 1963 she resided with THESING and his wife someplace in Philadelphia.

BLEMING stated he had never heard of the names HARRY HALPERN, PAUL BERENSKY or W. T. CALEY.

BLEMING said that he had no information regarding the NSRP or any other right oriented groups in the Philadelphia area.

S. Government.

WHITE YOUTH CORPS

On February 15, 1962, MALCOLM LAMBERT, self-admitted Illinois Commander, American Nazi Party, characterized the White Youth Corps as one which he established for the purpose of recruiting high school students into the Fighting American Nationalists. He said he placed one ARTHUR BRILL in charge of the White Youth Corps.

On March 23, 1962, LAMBERT stated it is anticipated that members of the White Youth Corps, when they meet the age and other requirements, will be accepted into the Fighting American Nationalists or the American Nazi Party.
